Details of the pre-application advice received

Initially contacted the Manchester Highway Team and they approved the Dropped kerb application for the driveway. When I asked about the requirement of the planning permission regarding the formation of the driveway I was advised to check with the planning team.

When I contacted the planning team, it was confirmed by Carl Glennon on 9th Feb 24, that the planning permission relating to the formation of the driveway will be required. See the attachment for a chain of communication with the Highway team and Carl Glennon, the Planning Officer.

26 April 2024: it was requested to (1) supply existing and proposed boundary treatments (2) provide details of the surface treatment and (3) provide the detail of drainage for the driveway. All the information was provided on 1st May by email.

9 May 2024: it was requested to replace the application with a new description
of development to include the gates and insertion of windows. Hence, the relevant questions in this application have been updated.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:
(a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

◯ Yes
⊘ No

◯ Yes
⊘ No

Certificate Of Ownership - Certificate A

*** "owner" is a person with a freehold interest or leasehold interest with at least 7 years left to run.**
