Part 1 – Particulars of the application/development

Proposal: Erection of two story side extension together with increase in roof height to existing rear conservatory

Location: 231 Manley Road, Manchester, M21 0RB

Date of application: 23 November 2023

Application number: 138502/FH/2023

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Refused** in accordance with the application and plans submitted for the reason(s) listed below.

Article 35 Declaration

Positive and proactive working The proposal would not improve the social and environmental conditions of the area nor does it comply with the development plan and therefore does not comprise sustainable development. There are no conditions which could reasonably have been imposed, which would have made the development acceptable and it is therefore not possible to approve the application.

Reason(s) for decision

1) The proposed two storey side extension by virtue of its design, siting, and scale would have a detrimental impact on visual amenity and the character of the street scene. The resulting appearance would be an extension which will have an inadequate relationship with number 233 Manley Road, resulting in a terracing effect. The proposal will be out of character with the street scene and will have a negative impact on visual amenity which is contrary to the provisions of saved policies DC1 of the Unitary Development Plan for the City of Manchester (1995), policies SP1 and DM1 of the Manchester Core Strategy (2012) and the National Planning Policy Framework.

2) The proposed development by reason of its design, massing and siting; would create an over dominant and incongruous feature which would be out of character with the host dwelling and area in general, to the detriment of visual amenity and as such is contrary to saved policy DC1 of the Unitary Development Plan for the City of Manchester, policies SP1 and DM1 of Manchester's Core Strategy Development Plan Document and the National Planning Policy Framework.
