

South Elevation - to Park Avenue

The drawing shows the South Elevation of a building, including a side elevation and a main elevation. The side elevation on the left shows a gabled roof with a peak height of 12.54. The main elevation on the right shows a brick building with a central entrance, windows, and a chimney. Key features include:

- Central Entrance:** A brick base with a height of 9.87, a pediment with a height of 13.33, and a brick base for the pediment with a height of 10.24.
- Windows:** A large window to the left of the entrance with a height of 13.08, and a smaller window above the entrance with a height of 15.77.
- Chimney:** A brick chimney on the right with a height of 18.96.
- Roof:** A gabled roof with a peak height of 12.54.
- Labels:** "Restricted Visibility", "Brick", "Render", "Vent", "Alarm", "Lamp", "Chimney", "Brick", "Aerial", "Roof Tiles", "RWP".

This architectural elevation drawing shows a building facade with various materials and features. The drawing includes the following labels and measurements:

- Materials:** Brick, Render, Restricted Visibility, Roof Tiles, Chimney, Aerial, Alarm, RWP (Roof Water Pipe).
- Measurements (in meters):**
 - 17.06 (Roof Tiles)
 - 16.01 (Roof Tiles)
 - 15.68 (Render)
 - 14.14 (Render)
 - 13.40 (Roof Tiles)
 - 13.35 (Render)
 - 11.32 (Render)
 - 11.18 (Render)
 - 11.18 (Render)
 - 10.48 (Render)
 - 10.26 (Brick)
 - 9.54 (Brick)
 - 9.36 (Pipe)
 - 9.40 (Pipe)
 - 9.27 (Brick)
 - 9.25 (Brick)
 - 11.72 (Render)
 - 11.72 (Render)
 - 13.59 (Render)
 - 13.08 (Render)
 - 11.27 (Render)
 - 9.84 (Brick)
 - 9.81 (Brick)
 - 16.39 (Roof Tiles)
 - 16.49 (Roof Tiles)
 - 18.96 (Chimney)
 - 18.11 (Brick)
 - 18.87 (Chimney)
 - 18.11 (Chimney)

Architectural drawing of the North Elevation of a building, showing the facade facing the garden. The drawing includes various architectural features like windows, doors, chimneys, and roof tiles, with elevation points marked in red. The text "North Elevation - to garden" is written on the right side.
