Location: Unit 6 Monsall Mill, Monsall Road, Manchester, M40 8NQ

Date of application: 16 February 2024

Application number: 134760/FO/2022

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Refused** in accordance with the application and plans submitted for the reason(s) listed below.

Article 35 Declaration

Officers have worked with the applicant in a positive and proactive manner based on seeking solutions to problems arising in relation to dealing with the planning application. Officers have communicated their concerns about this proposal to the applicant during the course of the planning application, but these concerns have not been overcome. The proposal is considered to be contrary to the development plan and therefore refused in a timely manner.

Reason(s) for decision

1) The applicant has failed to provide sufficient details to fully assess the proposal. A Design and Access Statement is required to provide further details on the use of the three storey extension and should include:

- Explanation why a development of this size and character is consistent with its urban design setting, particularly in terms of the application site, the immediate surroundings and street scene, and the wider City Centre context.
- Anticipated number of staff and employees.
- The hours of operation.

The applicant has failed to provide details relating to the design, access and use of the proposal, which is contrary to policies EN1 and DM1 of the Manchester Core Strategy and policy DC26 of the Unitary Development Plan for Manchester.

2) The applicant has failed to provide sufficient details to fully assess the proposal. A Transport Statement/Highways Technical Note is required to provide further information/clarification on the impact of the development on the existing highway network.

The applicant has failed to provide details relating to the servicing of the proposal and parking requirements at the site, which results in an unacceptable arrangement for accessing and egressing of the application site by vehicles, to the detriment of highway and pedestrian safety. This is contrary to policies T1, SP1 and DM1 of the Manchester Core Strategy.

However, if an enforcement notice has been served for the same or very similar development within the previous 2 years, the time limit is:

- 28 days from the date of the LPA decision if the enforcement notice was served before the decision was made yet not longer than 2 years before the application was made.

In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase their interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990

5. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to them.
