Amendment Date	27/09/2023	Contract Manager	Andy Barton
Amendment Type	Traffic Plan	Site Manager	Paul Turner
Drawings applicable	BDS-10203	Supervisor	Sean Barnett
Written by	Bernie Lee	Signature	<i>Blee</i>
Accompanying RAMS dated	23/08/2023	Accompanying RAMS REV	00

Accompanying RAMS must be read and signed in addition to this RAMS amendment

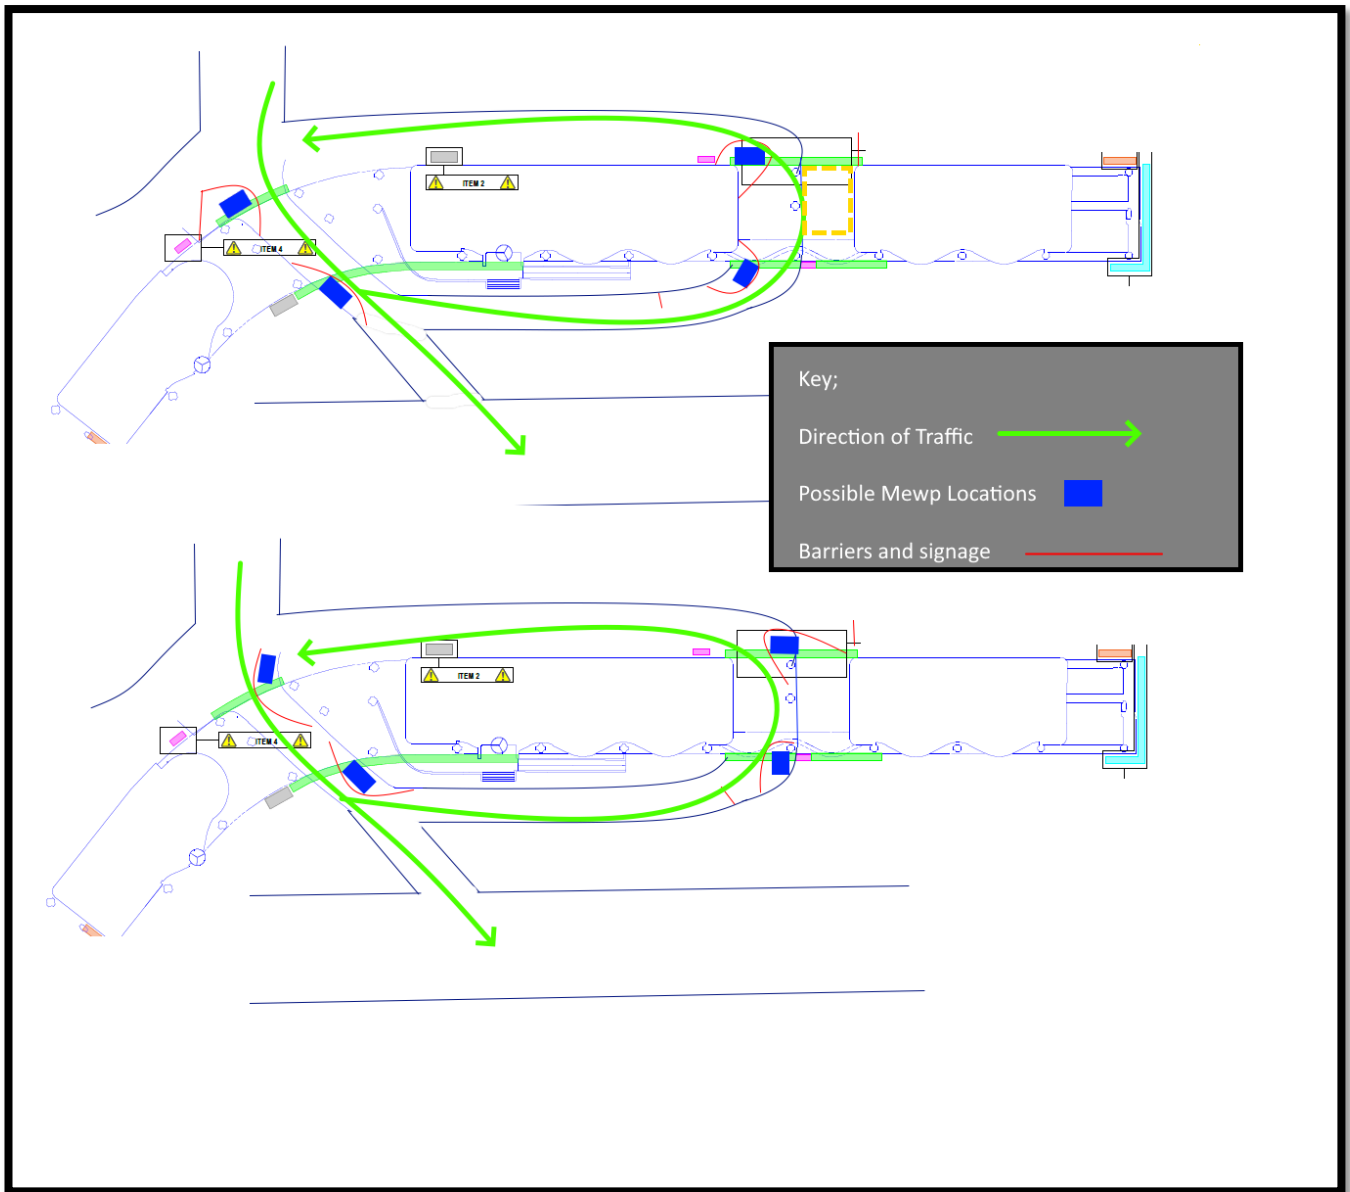

Areas of traffic identified and direction of travel

- **Travis Street** traveling in a westerly direction under the hotel and joining London road – Low flow of traffic
- **Berry street** joining travis street – minor flow of traffic
- **Hotel entrance loop** onto Berry street and joining travis street - minor flow of traffic
- **Bin store/Service area** on Berry Street – minor traffic

Traffic plan

To erect the fan the MEWP will be positioned on one side of the road at a time, still allowing flow of traffic from any direction. We will erect barriers and suitable signage to alert drivers of the upcoming hazard. Please see Diag. on following page. We do not believe that this will effect the flow of traffic in any direction. There is also a bin store which may see traffic once a day or less frequently, if needed the MEWP can be moved to allow access here.
