Dear Sir/Madam,

Pre-Commencement Conditions

Application number: 139166/FO/2024

Ronald McDonald House, Hathersage Road, Manchester, M13 0BH

In accordance with s100ZA of the Town & Country Planning Act 1990 (as amended), this letter gives notice of the requirement to place pre-commencement condition(s) on any permission arising from the above application.

The required condition(s), and the reason(s) for them are as follows:

Prior to the commencement of the development a detailed construction management plan outlining working practices during development shall be submitted to and approved in writing by the local planning authority, which for the avoidance of doubt should include:

- The routing of construction traffic;
- Detail the vehicular activity associated with the construction including appropriate swept-path assessment;
- Details of the location and arrangements for contractor parking;
- The identification of the vehicular access points into the site;
- Identify measures to control dust and mud including on the surrounding public highway including details of how the wheels of contractor's vehicles are to be cleaned during the construction period;
- The details of an emergency telephone contact number for the site contractor to be displayed in a publicly accessible location;
- A highway dilapidation survey including photographs and

commentary on the condition of carriageway/footways on construction vehicle routes

surrounding the site.

Manchester City Council encourages all contractors to be 'considerate contractors' when working in the city by being aware of the needs of neighbours and the environment. Membership of the Considerate Constructors Scheme is highly recommended.

The construction and demolition works shall be carried out in accordance with the approved construction management plan.

Reason: To ensure that the development is acceptable in the interests of the highway safety and the amenity of the locality, pursuant to policies SP1, DM1, CC5, CC10, T1, EN15, EN16, EN17 and EN18 of the Core Strategy and Guide to Development in Manchester Supplementary Planning Document and Planning Guidance (April 2007).

Please confirm your agreement to the above conditions within 10 working days. If we do not hear from you within this period, we will impose the conditions on any permission. Please note that this information is provided without prejudice to any final decision in relation to this application.

If you would like any further information about this letter, please contact Max Gibson using the above details. Please quote the above reference number on any further correspondence.

Yours faithfully,
