Part 1 – Particulars of the application/development

Proposal: Erection of single storey rear extension to create additional living accommodation

Location: 11 Argyle Avenue, Manchester, M14 5PX

Date of application: 29 March 2022

Application number: 133350/FH/2022

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Refused** in accordance with the application and plans submitted for the reason(s) listed below.

Article 35 Declaration

In assessing the merits of the planning application officers have sought to work with the agent in a positive and proactive manner to seek solutions to problems arising in relation to dealing with the planning application; however, in this instance, a solution that was satisfactory to both the Local Planning Authority and the agent could not be reached as the nature of the proposal was considered to be unacceptable.

Reason(s) for decision

1) The proposed extension by reason of its relationship along the common boundary with no. 9 Argyle Avenue, and the resultant mass of built form coming forward of and in such close proximity to the common shared boundary, together with a proposed 3927mm rearward projection along this boundary would create an overbearing, unsympathetic, visually intrusive feature in terms of outlook from the neighbouring rear yard to the detriment of the amenity of the current and future occupiers; contrary to policy DM1 of The Manchester Core Strategy Development Plan Document (2012); and saved policy DC1 of the Unitary Development Plan (1995).

2) The proposed extension by reason of its relationship along the common boundary with no. 9 Argyle Avenue, coupled with the extension coming forward of and in such close proximity to the common shared boundary, together with the proposed habitable room window located along the side elevation would unduly overlook the rear yard area thereby impacting upon the privacy of the occupiers of no. 9 Argyle Avenue, resulting in the loss of amenity; which is contrary to policy DC1 of the Unitary Development Plan for the City of Manchester (1995), and policy DM1 of Manchester's Core Strategy (2012).

Notes

1. This decision relates only to that required under the Town and Country Planning Act 1990 does not include any consent or approval under any other enactment, byelaw, order or regulation.

2. If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, they may appeal to the Secretary of State in accordance with Section 78(1) of the Town and Country Planning Act 1990 within 12 weeks of the date of the notice of this decision. However, if an enforcement notice has been served for the same or very similar development within the previous 2 years, the time limit is:

- 28 days from the date of the LPA decision if the enforcement notice was served before the decision was made yet not longer than 2 years before the application was made.
- 28 days from the date the enforcement notice was served if served on or after the date the decision was made (unless this extends the appeal period beyond 12 weeks).

The Planning Inspectorate have introduced an online appeals service that can be used to make appeals online. This service is available through the gov.uk website – www.gov.uk/appeal-householder-planning-decision. The Inspectorate will publish details of your appeal on the internet. Alternatively If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State has power to allow a longer period for the giving of a notice of appeal but they will not normally be prepared to exercise this power unless there are special circumstances that excuse the delay in giving notice of appeal.

3. The statutory requirements are those set out in Section 79(6) of the Town and Country Planning Act 1990, namely Sections 70(1) and 72(1) of the Act.

4. In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase their interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990

5. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to them. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.
