

The image contains two architectural drawings of a building facade. The top drawing is labeled 'north' and shows a long, low profile with a series of windows. The bottom drawing is labeled 'west' and shows a similar profile from a different angle, featuring a gabled roofline and a small square window. Both drawings are rendered in a simple line-art style.

north

north

A floor plan of a small apartment. The layout includes a large living area labeled 'living' at the bottom, a smaller room labeled 'store' at the top left, and a bathroom labeled 'shower' at the top right. The living area has a large window on the right wall and a door leading to the store. The store has a door leading to the shower. The shower has a window on the right wall. The plan also shows various doors, windows, and structural lines.

A floor plan of a bathroom. The plan is rectangular. On the right side, there is a rectangular area labeled "shower". On the left side, there is a rectangular area labeled "store". The "store" area is separated from the rest of the room by a curved wall. There are two doors: one on the left wall leading into the "store" area, and another on the right wall leading into the "shower" area. The walls are represented by solid lines, and the openings are represented by arcs.

living

A floor plan of a small apartment. The layout includes a large living area at the front, a store at the back, and a shower area. The living area has a large window on the left wall and a door leading to the store. The store has a door leading to the shower area. The shower area has a door leading to the living area. The plan is oriented with the living area at the top and the store at the bottom.
