Part 1 – Particulars of the application/development

Proposal: Erection of single-storey front extension and alterations to boundary wall

Location: 4 Barlow Road, Manchester, M19 3DJ

Date of application: 23 November 2023

Application number: 138588/FO/2023

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Refused** in accordance with the application and plans submitted for the reason(s) listed below.

Article 35 Declaration

In this case, officers have worked with the applicant in a positive and proactive manner based on seeking solutions to problems arising in relation to dealing with the planning application. Officers and the applicants (through their appointed representatives), discussed the development and the concerns of the local planning authority. It was confirmed that the application could not be supported. As it was not apparent that the development could be appropriately amended it was therefore necessary to determine the planning application on the basis of the submitted details.

Reason(s) for decision

1) The development, by virtue of its scale, massing and siting, would have an overbearing and unduly prominent impact on the streetscene and adjacent pavement and be poorly related to the characteristic arrangement of existing neighbouring built form, including houses with garden settings on the north side of Barlow Road. The development would thereby be harmful to the visual and residential amenities of the area and be contrary to policies SP1, EN1 and DM1 of the Core Strategy for the City of Manchester.

2) The design and composition of the proposed extension and its incorporation of a commercial frontage with extensive glazing and roller shutters, would have an incongruous relationship to the existing building and the characteristics of the streetscene, including housing on the northern side of Barlow Road. The development would thereby be contrary to policies SP1 and DM1 of the Core Strategy for the City of Manchester.

2. If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, they may appeal to the Secretary of State in accordance with Section 78(1) of the Town and Country Planning Act 1990 within six months of the date of the notice of the decision. However, if an enforcement notice has been served for the same or very similar development within the previous 2 years, the time limit is:

- 28 days from the date of the LPA decision if the enforcement notice was served before the decision was made yet not longer than 2 years before the application was made.
- 28 days from the date the enforcement notice was served if served on or after the date the decision was made (unless this extends the appeal period beyond 6 months).

The Planning Inspectorate have introduced an online appeals service that can be used to make appeals online. This service is available through the gov.uk website – www.gov.uk/appeal-planning-decision. The Inspectorate will publish details of your appeal on the internet. Alternatively If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State has power to allow a longer period for the giving of a notice of appeal but they will not normally be prepared to exercise this power unless there are special circumstances that excuse the delay in giving notice of appeal.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the City Council (planning@manchester.gov.uk) and the Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

4. If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that they can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase their interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990

5. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to them. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.
