

South Elevation as Proposed

1 : 100

External benches omitted.

Existing windows to be resealed
to improve air tightness and
thermal efficiency.

External wayfinding and signage omitted.

Information Note

Any drawing format is to be read in conjunction with and at the scale of accompanying documents.

Where colours other than black or grey are used the drawing must be plotted in colour. All dimensions are to be checked on site by the Contractor, scaling is for Local Authority purposes only.

Unless otherwise indicated, all dimensions are in millimeters.

All information on this drawing is to be read in conjunction with the relevant Donald Insall Associates (Insall) specification and trade contractors' drawings and information by specialists.

In the event of any discrepancy, please contact Insall immediately.

This drawing may contain survey information by others and is to be used solely for the purposes for which it was issued.

These are uncontrolled documents issued for information purposes only. If you have any queries regarding the drawings, contact Insall immediately.

Insall cannot be held responsible for any errors arising from changes made to an uncontrolled file.

Drawings by Donald Insall Associates to be read in conjunction with full 'Next Chapter' drawing sets. Including those by Structural Engineer, MEP Engineer, Exhibition Designer, Fire Consultant and Acoustic Consultant.
