

Important – Planning permission & notices of consent

Compliance with conditions

- Your planning approval or consent is attached. It will contain conditions that you must comply with.
- Please read the conditions and understand their requirements and restrictions, for example submission and approval of details or measures to protect trees.
- Some conditions will require action before you start development and it is imperative that you seek to have these discharged before any work commences.
- Whilst every effort has been made to group conditions logically, it is your responsibility to ensure that you are aware of the requirements and/or restrictions of all conditions.
- If you fail to comply with the conditions this may result in a breach of planning control and this may lead to enforcement action.
- Failure to comply with conditions may also result in the development not being lawful.
- It is in your interests to demonstrate that conditions have been complied with. Failure to do so may cause difficulties if the property is sold or transferred.
- A fee is payable for each request to discharge conditions.
- For advice on any of these matters, please contact Planning, Manchester City Council, PO Box 532, Town Hall, Manchester M60 2LA or email planning@manchester.gov.uk

Reason - To ensure that the development is carried out in accordance with the approved plans, pursuant to policies SP1 and DM1 of the Core Strategy.

3) With the exception of demolition, no above ground development that is hereby approved shall commence unless and until samples and specifications of all other materials to be used on all external elevations of the development, have been submitted to and approved in writing by the City Council as Local Planning Authority. The development shall only be implemented in accordance with the agreed materials.

Reason - To ensure that the appearance of the development is acceptable to the City Council as Local Planning authority, in the interests of the visual amenity, pursuant to policies SP1, EN3 and DM1 of the Core Strategy.

4) No development shall take place, until a construction management plan or construction method statement has been submitted to and approved in writing by the Local Planning Authority. The approved plan/statement shall be adhered to throughout the demolition/construction period. The plan/statement shall provide for:

- o A construction programme including phasing of works;
- o 24 hour emergency contact number;
- o Expected number and type of vehicles accessing the site;
- o Deliveries, waste, cranes, equipment, plant, works, visitors;
- o Size of construction vehicles;
- o The use of a consolidation operation or scheme for the delivery of materials and goods;
- o Phasing of works;
- o Means by which a reduction in the number of movements and parking on nearby streets can be achieved (including measures taken to ensure satisfactory access and movement for existing occupiers of neighbouring properties during construction): Programming; Waste management; Construction methodology; Shared deliveries; Car sharing; Travel planning; Local workforce; Parking facilities for staff and visitors; On-site facilities; A scheme to encourage the use of public transport and cycling;
- o Routes for construction traffic, avoiding weight and size restrictions to reduce unsuitable traffic on residential roads;
- o Locations for loading/unloading, waiting/holding areas and means of communication for delivery vehicles if space is unavailable within or near the site;
- o Locations for storage of plant/waste/construction materials;
- o Arrangements for the turning of vehicles, to be within the site unless completely unavoidable;
- o Arrangements to receive abnormal loads or unusually large vehicles;
- o Swept paths showing access for the largest vehicles regularly accessing the site and measures to ensure adequate space is available;
- o Any necessary temporary traffic management measures;
- o Measures to protect vulnerable road users (cyclists and pedestrians);
- o Arrangements for temporary facilities for any bus stops or routes;
- o Method of preventing mud being carried onto the highway;
- o Methods of communicating the Construction Management Plan to staff, visitors and neighbouring residents and businesses.

Manchester City Council encourages all contractors to be 'considerate contractors' when working in the city by being aware of the needs of neighbours and the environment. Membership of the Considerate Constructors Scheme is highly

recommended.

- o Full details of the impact of the demolition of the property upon the neighbouring designated heritage asset.
- o An amended Demolition Method Statement for the building on site that has controls over demolition vehicle access during school drop off and pick up hours, and;
- o A further updated existing asbestos Type 2 survey in relation to that building.

Reason: In the interests of safe operation of the adopted highway in the lead into development both during the demolition and construction phase of the development, pursuant to policies SP1, EN19 and DM1 of the Core Strategy for the City of Manchester.

5) The retail unit (Class E) hereby approved shall not be open outside the following hours:-

07:00 to 23.00 hrs Monday to Saturday

10.00 to 18.00 hrs Sundays

Reason - To safeguard residential amenity, pursuant to saved policy DC26 of the Unitary Development Plan for the City of Manchester and policies SP1 and DM1 of the Core Strategy.

6) Deliveries, servicing and collections, including waste collections shall not take place outside of the following hours: 07.30 to 20.00 hrs Monday to Saturday and 09.00 to 17.00hrs Sundays. They shall also not take place between the hours of 08.00 to 09.00 Monday to Friday.

Reason - To safeguard the amenities of nearby occupiers, pursuant to Policies DM1 and SP1 of the Manchester Core Strategy.

7) The development is to be undertaken in accordance with the submitted waste management strategy. The strategy shall be implemented in full prior to the first occupation of the authorised development and maintained in situ thereafter.

Reason - In the interests of residential amenity and to secure appropriate arrangements for the storage and collection of segregated waste and recycling, pursuant to policies SP1, EN19 and DM1 of the Core Strategy for the City of Manchester.

8) a) Any externally mounted ancillary plant, equipment and servicing to be installed shall be selected and/or acoustically treated in accordance with a scheme designed so as to achieve a rating level of 5dB (LAeq) below the typical background (LA90) level at the nearest noise sensitive location. Prior to its installation, the scheme shall be submitted to and approved in writing by the City Council as Local Planning Authority in order to secure a reduction in the level of noise emanating from the site.
b) Prior to any externally mounted ancillary plant, equipment and servicing to be installed becoming operational, an approved verification report shall be submitted to and approved in writing by the City Council as Local Planning authority to validate that the work undertaken throughout the development conforms to the recommendations and requirements in the approved acoustic report. The report shall also undertake post completion testing to confirm that the noise criteria have been met. Any instances of non - conformity with the recommendations in the report shall be detailed along with any measures required to ensure compliance with the agreed noise criteria.

Reason - To minimise the impact of the development and to prevent a general increase in pre-existing background noise levels around the site, pursuant to saved policy DC26 of the Unitary Development Plan for the City of Manchester and policies DM1 and SP1 of the Manchester Core Strategy.

9) If any lighting at the development hereby approved, when illuminated, causes glare or light spillage which in the opinion of the Council as local planning authority causes detriment to adjoining and nearby residential properties, within 14 days of a written request, a scheme for the elimination of such glare or light spillage shall be submitted to the Council as local planning authority and once approved shall thereafter be retained in accordance with details which have received prior written approval of the City Council as Local Planning Authority.

Reason - In order to minimise the impact of the illumination of the lights on the occupiers of nearby residential accommodation, pursuant to policies DM1 and SP1 of the Manchester Core Strategy.

10) a) The premises shall be acoustically insulated and treated to limit the break out of noise in accordance with a noise study of the premises and a scheme of acoustic treatment that has been submitted to and approved in writing by the City Council as local planning authority. The scheme shall be implemented in full before the use commences or as otherwise agreed in writing by the City Council as local planning authority.

b) Prior to occupation of the development a verification report shall be required to validate that the work undertaken throughout the development conforms to the recommendations and requirements in the approved acoustic consultant's report. The report shall also undertake post completion testing to confirm that acceptable criteria have been met. Any instances of non-conformity with the recommendations in the report shall be detailed along with any measures required to ensure compliance with the agreed noise criteria.

Reason - To safeguard the amenities of the occupiers of the building and occupiers of nearby properties, pursuant to policies SP1 and DM1 of the Core Strategy.

11) a) Before the development hereby approved commences, a report (the Preliminary Risk Assessment) to identify and evaluate all potential sources and impacts of any ground contamination, groundwater contamination and/or ground gas relevant to the site shall be submitted to and approved in writing by the City Council as local planning authority. The Preliminary Risk Assessment shall conform to City Council's current guidance document (Planning Guidance in Relation to Ground Contamination).

In the event of the Preliminary Risk Assessment identifying risks which in the written opinion of the Local Planning Authority require further investigation, the development shall not commence until a scheme for the investigation of the site and the identification of remediation measures (the Site Investigation Proposal) has been submitted to and approved in writing by the City Council as local planning authority. The measures for investigating the site identified in the Site Investigation Proposal shall be carried out, before development commences and a report prepared outlining what measures, if any, are required to remediate the land (the Site Investigation Report and/or Remediation Strategy) which shall be submitted to and approved in writing by the City Council as local planning authority.

b) When the development commences, the development shall be carried out in accordance with the previously agreed Remediation Strategy and prior to occupation

a Completion/Verification Report shall be submitted to and approved in writing by the City Council as local planning authority.

In the event that ground contamination, groundwater contamination and/or ground gas, not previously identified, are found to be present on the site at any time before the development in each phase is occupied, then development shall cease and/or the development shall not be occupied until, a report outlining what measures, if any, are required to remediate the land (the Revised Remediation Strategy) is submitted to and approved in writing by the City Council as local planning authority and the development shall be carried out in accordance with the Revised Remediation Strategy, which shall take precedence over any Remediation Strategy or earlier Revised Remediation Strategy.

Reason - To ensure that the presence of or the potential for any contaminated land and/or groundwater is detected and appropriate remedial action is taken in the interests of public safety, pursuant to policies DM1 and EN18 of the Core Strategy.

12) The car parking as indicated on the approved plans shall be surfaced, laid out and demarcated prior to the first occupation of the development hereby approved. The car park shall then be available at all times whilst the site is operational.

Prior to the occupation of the development hereby approved a car park management plan shall be submitted which shall include measures to be implemented in order to prevent short stay parking for drop off and pick up of school children and should also include measures to prevent the use of the car park as a pedestrian through route to Mauldeth Road West.

Reason - To ensure that there is adequate parking for the development proposed when the building is occupied and in the interests of pedestrian and highway safety in order to comply with policy DM1 of the Core Strategy.

13) The cycle parking provision arrangement shown on plans submitted shall be installed prior to the first occupation of the development and be retained thereafter for use by people visiting and working at the development.

Reason - To ensure that there is adequate cycle parking for the development in order to comply with policies T1, T2 and DM1 of the Core strategy.

14) The accessible parking spaces shown on the drawings submitted shall be implemented prior to the commercial unit hereby approved being occupied and be retained thereafter.

Reason - To ensure sufficient accessible car parking provision, pursuant to policies DM1 and SP1 of the Manchester Core Strategy.

15) Notwithstanding the electric vehicle charging points shown on the drawings submitted further details of provision for electrical charging shall be submitted for the approval of the local planning authority. The agreed electric charging provision shall be installed and operational prior to the commercial unit hereby approved being occupied and be retained thereafter.

Reason - In the interest of air quality, pursuant to policies DM1 and EN16 of the Manchester Core Strategy.

16) The development hereby approved shall be carried out in accordance with the Travel

Plan (SCP/220102/TP/01) stamped as received by the City Council, as Local Planning Authority, on the 22 November 2023.

In this condition a Travel Plan means a document which includes:

- i. the measures proposed to be taken to reduce dependency on the private car;
 - ii. a commitment to surveying the travel patterns of patrons during the first three months of the first use of the development and thereafter from time to time
 - iii. mechanisms for the implementation of the measures to reduce dependency on the private car
 - iv. measures for the delivery of specified travel plan services
 - v. measures to monitor and review the effectiveness of the Travel Plan in achieving the objective of reducing dependency on the private car
- Within six months of the first occupation of the development, a Travel Plan which takes into account the information about travel patterns gathered pursuant to item (ii) above shall be submitted for approval in writing by the City Council as Local Planning Authority. Any Travel Plan which has been approved by the City Council as Local Planning Authority shall be implemented in full at all times when the development hereby approved is in use.

Reason - To assist promoting the use of sustainable forms of travel for residents, pursuant to policies T1, T2 and DM1 of the Manchester Core Strategy (2012).

17) Prior to the commencement of above ground works, full details of all necessary off-site highway works, to be implemented via a S.278 agreement, shall be submitted to and approved in writing by the City Council as Local Planning Authority and be implemented in accordance with a timescale to be agreed by the City Council as Local Planning Authority. Such works should include:

- Works to widen the carriageway to accommodate a right turn pocket and where the northern kerbline is built out to improve vehicle/pedestrian intervisibility.
- Keep clear markings are also to be provided to this junction.
- Installation of additional heritage footway bollards
- Speed bumps and contrasting surface treatment around the improved bellmouth of Nell Lane and the site access
- Speed indicator devices in appropriate locations along Nell Lane.
- Guard rail on Mauldeth Road West
- New bus shelter for the eastbound bus stop
- Traffic Regulation Orders along Mauldeth Road West upgraded to no-loading at any time.

The development shall not be occupied until all the necessary off-site highway works have an agreed timescale for implementation.

Reason - To encourage walking to the site and in the interests of highway safety, pursuant to Policies DM1 and SP1 of the Manchester Core Strategy.

18) a) The development hereby approved shall be implemented in accordance with the measures as set out within the approved Energy Usage and Sustainability Statement prepared by Space Architects.

b) Within 3 months of the completion of the construction of the authorised development a verification statement prepared by a suitably qualified expert shall be submitted to and approved in writing, by the City Council as local planning authority, to validate that the work undertaken throughout the development conforms to the recommendations and requirements in the

approved Statement. Any instances of non-conformity with the recommendations in the report shall be detailed along with any measures required to ensure compliance with the recommendations and requirements within the approved report.

Reason - In order to minimise the environmental impact of the development pursuant to policies SP1, T1-T3, EN4-EN7 and DM1 of the Core Strategy for the City of Manchester and the principles contained within The Guide to Development in Manchester SPD (2007) and the National Planning Policy Framework.

19) The development hereby approved shall only be carried out in accordance with mitigation measures detailed within the submitted Air Quality Assessment produced by Miller Goodall dated 7 July 2022 received by the City Council, as Local Planning Authority on 2 December 2022.

Reason - To minimise the impact upon air quality and in order to minimise the environmental impact of the development, pursuant to policy EN16 of the Core Strategy, National Planning Guidance and National Planning Policy Framework (NPPF).

20) No development shall take place until the full details of a surface water drainage scheme has been submitted to and approved in writing by the City Council as local planning authority.

Reason: To promote sustainable development, secure proper drainage and to manage the risk of flooding and pollution, pursuant to Policy DM1 in the Core Strategy Development Plan Document and the policies and guidance within the NPPF and NPPG.

21) No development hereby permitted shall be occupied until details of the implementation, maintenance and management of the sustainable drainage scheme have been submitted to and approved by the local planning authority. The scheme shall be implemented and thereafter managed and maintained in accordance with the approved details. Those details shall include:

- a. Verification report providing photographic evidence of construction as per design drawings;
- b. As built construction drawings if different from design construction drawings;
- c. Management and maintenance plan for the lifetime of the development which shall include the arrangements for adoption by any public body or statutory undertaker, or any other arrangements to secure the operation of the sustainable drainage scheme throughout its lifetime.

Reason: To promote sustainable development, secure proper drainage and to manage the risk of flooding and pollution, pursuant to Policy DM1 in the Core Strategy Development Plan Document and the policies and guidance within the NPPF and NPPG.

22) Prior to the first occupation of the development hereby approved details of the physical security specifications outlined within the submitted Crime Impact Statement (Ref: 2002/1427/CIS/02 - version A) dated 13 August 2022, received on 02 December 2022 to be installed at the development shall be submitted to and approved in writing by the City Council. The development shall be carried out in accordance with the agreed details.

Reason - To reduce the risk of crime pursuant to policies SP1 and DM1 of the Manchester Core Strategy and to reflect the guidance contained in the National Planning Policy Framework.

23) Notwithstanding the details of landscaping as set out within the approved drawing reference: R/2626/1D received 22 November 2023, a further plan indicating biodiversity enhancement to be made shall be submitted prior to commencement of above ground works. Landscaping and biodiversity enhancements shall be implemented not later than 12 months from the date the buildings are first occupied. If within a period of 5 years

from the date of the planting of any tree or shrub, that tree or shrub or any tree or shrub planted in replacement for it, is removed, uprooted or destroyed or dies, or becomes, in the opinion of the local planning authority, seriously damaged or defective, another tree or shrub of the same species and size as that originally planted shall be planted at the same place.

Reason - To ensure that a satisfactory landscaping scheme for the development is carried out that respects the character and visual amenities of the area, in accordance with policies SP1, EN9 and DM1 of the Core Strategy.

24) The unit hereby approved shall not be occupied until the boundary treatment set out in accordance with drawing reference XX-XX DR-A-90003 P09 (received 22 November 2023) has been implemented. The development shall only be carried out in accordance with the approved details and shall thereafter be retained.

Reason - In the interests of security and to ensure that the appearance of the development is acceptable to the City Council as Local Planning Authority in the interests of the visual amenity of the area within which the site is located, pursuant to policies SP1 and DM1 of the Manchester Core Strategy

25) No demolition of the building on site or removal of or works to any hedgerows, trees or shrubs shall take place during the main bird breeding season 1st March and 31st August inclusive, unless a competent ecologist has undertaken a careful, detailed check of vegetation for active birds' nests immediately before the vegetation is cleared and provided written confirmation that no birds will be harmed and/or that there are appropriate measures in place to protect nesting bird interest on site. Any such written confirmation should be submitted to the local planning authority.

Reason - To ensure the protection of habitat of species that are protected under the Wildlife and Countryside Act 1981 or as subsequently amended and to comply with policy EN15 of the Core Strategy.

26) (a) Prior to the commencement of above ground works, details of a local labour agreement in order to demonstrate commitment to recruit local labour for operational element of the development shall be submitted for approval in writing by the City Council, as Local Planning Authority.

(b) The approved document shall be implemented as part of the occupation of the development. Within six months of the first occupation of the development details of the results of the scheme shall be submitted for consideration.

Reason - To ensure the applicant has demonstrated a commitment to recruiting local

labour, pursuant to policies SP1, EC1 and DM1 of the Manchester Core Strategy (2012).

27) No signage of any type, including internal window vinyls shall be installed to any areas of glazing or curtain walling. Building advertisements shall be restricted solely to the billboard locations, as shown on the submitted drawings.

Reason - To prevent the proliferation of advertisement and to safeguard visual amenity, pursuant to saved policy E3.3 of the Unitary Development Plan for the City of Manchester and policies DM1, EN1 and SP1 of the Manchester Core Strategy.

Building Regulations 2010

This permission does not grant approval under Building Regulations.

Street Naming & Numbering Requirements

Manchester City Council is responsible for allocating street naming and numbering within Manchester for new developments or property conversions. Individuals or businesses are not permitted to allocate their own property numbers, building or street names.

If your development includes the creation of new dwellings (either new build or conversion of existing buildings), creation of new commercial properties or the subdivision of existing properties you must ensure that you request new or changes to addresses through us so they can be officially allocated and registered in accordance with the Public Health Act 1925 Sections 17-19 & Greater Manchester Act 1981 Section 22.

Failure to do this may result in difficulties for the developer/occupier when requiring services such as connections to utilities, phone lines and postal services and may delay your development.

Notes

1. This permission refers only to that required under the Town and Country Planning Act 1990 does not include any consent or approval under any other enactment, byelaw, order or regulation.

2 If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, they may appeal to the Secretary of State in accordance with Section 78(1) of the Town and Country Planning Act 1990 within six months of the date of the notice of the decision.

The Planning Inspectorate have introduced an online appeals service that can be used to make appeals online. This service is available through the gov.uk website – www.gov.uk/appeal-planning-decision . The Inspectorate will publish details of your appeal on the internet. Alternatively If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State has power to allow a longer period for the giving of a notice of appeal but they will not normally be prepared to exercise this power unless there are special circumstances that excuse the delay in giving notice of appeal.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the City Council (planning@manchester.gov.uk) and the Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

3. The statutory requirements are those set out in Section 79(6) of the Town and Country Planning Act 1990, namely Sections 70(1) and 72(1) of the Act.

4. If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that they can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase their interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990

5. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to them. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.
