The *Planum Concrete Flat Tile

The Planum Concrete tile sets a new standard for flat tiles which everyone from Architects to Roofers and especially property owners will appreciate. Technically it is state of the art, it has an ultra smooth flat finish and clean 'pore free' edges to make the finished roof look superb. With a covering capacity of just 9.8 tiles per square metre it makes the Planum Concrete flat tile the perfect choice for a very economical and attractive roof.

- Superior quality interlocking flat tile
- Ultra Smooth Flat finish
- Eco friendly **Top One** finish
