Part 1 – Particulars of the application/development

Proposal: Change of use from HMO (Class C4) to 9 bedroom HMO (sui-generis)

Location: 157 Hamilton Road, Manchester, M13 0PL

Date of application: 4 December 2023

Application number: 138720/FO/2023

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Refused** in accordance with the application and plans submitted for the reason(s) listed below.

Article 35 Declaration

Officers have worked with the applicant in a positive and proactive manner based on seeking solutions to problems arising in relation to dealing with the planning application. In this case, officers advised the applicant that the development could not be supported due to identified harm to residential amenity. The applicant submitted additional supporting information and requested that the application be determined. The submitted and supplementary details were sufficient to allow the appropriate determination of the planning application.

Reason(s) for decision

1) The proposed development would significantly increase the potential occupation of an existing house in multiple occupation and would therefore result in an over intensive use and transient occupation of the property resulting in a consequential increase in the levels of noise and disturbance from associated activity and associated comings and goings, noise levels, waste generation and demand for on street parking. The potential intensity of occupation of the application property as a large scale HMO would also undermine the formation of sustainable communities and detrimentally impact upon the amenity of neighbouring residents. The development would thereby be contrary to policies DM1 and SP1 of the Core Strategy for the City of Manchester and saved policy DC26 of the Unitary Development Plan.

2) The proposed development would not be supported with appropriate and adequate arrangements for the storage of waste and recycling bins. The siting to the proposed bin enclosures would be visually obtrusive and cover a substantial part of the front garden and thereby be harmful to the residential amenity and the character of the streetscene. The development would thereby be contrary to policies SP1, EN19 and DM1 of the Core Strategy for the City of Manchester.

However, if an enforcement notice has been served for the same or very similar development within the previous 2 years, the time limit is:

- 28 days from the date of the LPA decision if the enforcement notice was served before the decision was made yet not longer than 2 years before the application was made.

In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase their interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990

5. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to them.
