MANCHESTER CITY COUNCIL

Important – Planning permission & notices of consent

Compliance with conditions

- Your planning approval or consent is attached. It will contain conditions that you must comply with.
- Please read the conditions and understand their requirements and restrictions, for example submission and approval of details or measures to protect trees.
- Some conditions will require action before you start development and it is imperative that you seek to have these discharged before any work commences.
- Whilst every effort has been made to group conditions logically, it is your responsibility to ensure that you are aware of the requirements and/or restrictions of all conditions.
- If you fail to comply with the conditions this may result in a breach of planning control and this may lead to enforcement action.
- Failure to comply with conditions may also result in the development not being lawful.
- It is in your interests to demonstrate that conditions have been complied with. Failure to do so may cause difficulties if the property is sold or transferred.
- A fee is payable for each request to discharge conditions.
- For advice on any of these matters, please contact Planning, Manchester City Council, PO Box 532, Town Hall, Manchester M60 2LA or email planning@manchester.gov.uk

MANCHESTER CITY COUNCIL

Town & Country Planning Act 1990 (as amended)

Planning Permission

Applicant

Mr Hamad Alhargan
AlHargan and Zamil Limited

Part 1 – Particulars of the application/development

Proposal: Erection of second floor extension to existing Junction Hotel with refurbishment of existing building. Erection of two blocks of apartments on land to the rear to provide 24 apartments with undercroft car park and 4 No. A1 retail units fronting Old Birley Street

Location: Junction Hotel , Rolls Crescent, Manchester, M15 5FT

Date of application: 9 September 2020

Application number: 126780/FO/2020

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Approved** in accordance with the application and plans submitted subject to the condition(s) listed below (if any).

Article 35 Declaration

The development must be begun not later than the expiration of three years beginning with the date of this permission.

Reason - Required to be imposed pursuant to Section 91 of the Town and Country Planning Act 1990.

The application was determined in a positive and proactive manner. During the consideration of this application any issues raised have been raised with the applicant.

Condition(s) attached to this decision

1) The development must be begun not later than the expiration of three years beginning with the date of this permission.

Reason - Required to be imposed pursuant to Section 91 of the Town and Country Planning Act 1990.

2) 2. The development hereby approved shall be carried out in accordance with the following drawings and documents:

2018-056- 001 EXISTING SITE PLAN
2018-056- 101E SITE PLAN
2018-056- 102G GROUND FLOOR

PHASE 1 CONTAMINATED LAND REPORT RECEIVED 01 SEP 2020

Proposed Underground Drainage Statement reference 21-449 April 2021

Reason - To ensure that the development is carried out in accordance with the approved plans. Pursuant to policies SP1 and DM1 of the Core Strategy.

3) Final samples and specifications of all materials (including appropriate sections to the windows) to be used on the external elevations of the development hereby permitted shall be submitted for approval in writing by the City Council, as Local Planning Authority prior to the erection of the above ground super structure. The approved materials shall then be used in the construction of the development.

Reason - To ensure that the appearance of the development is acceptable to the City Council as local planning authority in the interests of the visual amenity of the area within which the site is located, as specified in policies SP1, EN1, H1 and DM1 of the Manchester Core Strategy.

4) No development shall take place, including any demolition works, until a construction management plan or construction method statement has been submitted to and approved in writing by the Local Planning Authority. The approved plan/statement shall be adhered to throughout the demolition/construction period. The plan/statement shall provide for:
o A construction programme including phasing of works;
o 24 hour emergency contact number;
o Expected number and type of vehicles accessing the site;
o Deliveries, waste, cranes, equipment, plant, works, visitors;
o Size of construction vehicles;
o The use of a consolidation operation or scheme for the delivery of materials and goods;
o Phasing of works;
o Means by which a reduction in the number of movements and parking on nearby streets can be achieved (including measures taken to ensure satisfactory access and movement for existing occupiers of neighbouring properties during construction): Programming; Waste management; Construction methodology; Shared deliveries; Car sharing; Travel planning; Local workforce; Parking facilities for staff and visitors; On-site facilities; A scheme to encourage the use of public transport and cycling;
o Routes for construction traffic, avoiding weight and size restrictions to reduce unsuitable traffic on residential roads;
o Locations for loading/unloading, waiting/holding areas and means of communication for delivery vehicles if space is unavailable within or near the site;
o Locations for storage of plant/waste/construction materials;
o Arrangements for the turning of vehicles, to be within the site unless completely unavoidable;
o Arrangements to receive abnormal loads or unusually large vehicles;
o Swept paths showing access for the largest vehicles regularly accessing the site and measures to ensure adequate space is available;
o Any necessary temporary traffic management measures;
o Measures to protect vulnerable road users (cyclists and pedestrians);
o Arrangements for temporary facilities for any bus stops or routes;
o Method of preventing mud being carried onto the highway;
o Methods of communicating the Construction Management Plan to staff, visitors and neighbouring residents and businesses.

Manchester City Council encourages all contractors to be 'considerate contractors' when working in the city by being aware of the needs of neighbours and the environment. Membership of the Considerate Constructors Scheme is highly recommended.

Reason: In the interests of safe operation of the adopted highway in the lead into development both during the demolition and construction phase of the development, pursuant to policies SP1, EN19 and DM1 of the Core Strategy for the City of Manchester.

5) The car parking as indicated on the approved plans shall be surfaced, laid out and demarcated prior to the occupation of each dwelling. The car parking shall then be available at all times for people residing at the dwelling whilst the dwelling is occupied.

Reason - To ensure that there is adequate parking for the development proposed when the development is occupied in order to comply with policy DM1 of the Core strategy.

6) The approved details for cycle parking provision as set out on the approved drawings and documents shall be installed prior to the occupation of each dwelling and be retained thereafter for use by people residing at the dwelling.

Reason - To ensure that there is adequate cycle parking for the development in order to comply with policies T1,T2 and DM1 of the Core strategy.

7) Prior to the occupation of the development, a scheme of highway works, in order to provide an adequate pedestrian and vehicular environment in the vicinity of the application site, shall be submitted for approval in writing by the City Council, as Local Planning Authority.
For the avoidance of doubt this shall include the following:
Installation of traffic management measures on Old Birley Street
Provision of footway resurfacing surrounding the site, including the provision of dropped kerbs and tactile paving at crossing points and across car park entrances.

Reason -To ensure safe access to the development site in the interest of pedestrian and highway safety pursuant to policies SP1, EN1 and DM1 of the Manchester Core Strategy (2012)

8) The development hereby approved shall only be carried out in accordance with the recommendations of the Crime Impact Statement prepared by Greater Manchester Police and shall not be occupied or used until the City Council as local planning authority has acknowledged in writing that it has received written confirmation of a secure by design accreditation.

Reason - To reduce the risk of crime pursuant to Policy DM1 of the Adopted Core Strategy for the City of Manchester

9) No development shall take place until the full details of a surface water drainage scheme has been submitted to and approved in writing by the City Council as local planning authority.

Reason: To promote sustainable development, secure proper drainage and to manage the risk of flooding and pollution, pursuant to Policy DM1 in the Core Strategy Development Plan Document and the policies and guidance within the NPPF and NPPG.

10) No development hereby permitted shall be occupied until details of the implementation, maintenance and management of the sustainable drainage scheme have been submitted to and approved by the local planning authority.
The scheme shall be implemented and thereafter managed and maintained in accordance with the approved details. Those details shall include:
a. Verification report providing photographic evidence of construction as per design drawings;
b. As built construction drawings if different from design construction drawings;
c. Management and maintenance plan for the lifetime of the development which shall include the arrangements for adoption by any public body or statutory undertaker, or any other arrangements to secure the operation of the sustainable drainage scheme throughout its lifetime.

Reason: To promote sustainable development, secure proper drainage and to manage the risk of flooding and pollution, pursuant to Policy DM1 in the Core Strategy Development Plan Document and the policies and guidance within the NPPF and NPPG.

11) Prior to occupation of the development the provision of electric vehicle charging points shall have been implemented in line with the information submitted on plan Ground Floor 2018-056-102 G received 23.04.2020. These charging facilities shall thereafter be retained for the use of the dwellings.

Reason - To promote sustainable development and in the interests of residential amenity, pursuant to Policies DM1 and EN16 in the Manchester Core Strategy (2012).

12) The development hereby approved shall be implemented in full accordance with the measures as set out within the Environmental Standards Statement, received by the City Council as local planning authority on 26.08.2020.
Within 3 months of the completion of the construction of the authorised development a verification statement shall be submitted to and approved in writing, by the City Council as local planning authority, confirming the incorporation of the specified measures at each phase of the construction of the development, including dated photographic documentary evidence of the implementation and completion of required works.

Reason - In order to minimise the environmental impact of the development pursuant to policies SP1, T1-T3, EN4-EN7 and DM1 of the Core Strategy for the City of Manchester and the principles contained within The Guide to Development in Manchester SPD (2007) and the National Planning Policy Framework.

13) The development hereby approved shall only be carried out in accordance with mitigation measures detailed within the submitted Air Quality Assessment produced by Redmore Environmental dated 21 July 2020 received by the City Council, as Local Planning Authority on 26 August 2020.

Reason - To minimise the impact upon air quality and in order to minimise the environmental impact of the development, pursuant to policy EN16 of the Core Strategy, National Planning Guidance and National Planning Policy Framework (NPPF).

14) Notwithstanding the details of the hard and soft landscaping treatment scheme as set out within the approved drawings, a further plan indicating biodiversity enhancement to be made shall be submitted within one month of the grant of consent. Landscaping and biodiversity enhancements shall be implemented not later than 12 months from the date the buildings are first occupied. If within a period of 5 years from the date of the planting of any tree or shrub, that tree or shrub or any tree or shrub planted in replacement for it, is removed, uprooted or destroyed or dies, or becomes, in the opinion of the local planning authority, seriously damaged or defective, another tree or shrub of the same species and size as that originally planted shall be planted at the same place.

Reason - To ensure that a satisfactory landscaping scheme for the development is carried out that respects the character and visual amenities of the area, in accordance with policies SP1, EN9 and DM1 of the Core Strategy.

15) Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 2015 (or any order revoking and re-enacting that Order

with or without modification) none of the dwelling houses hereby approved shall be used for any other purpose (including any other purpose in Class C3 of the Schedule to the Town and Country Planning (Use Classes) Order 1987 as amended by The Town and Country Planning (Use Classes) (Amendment) (England) Order 2010, or in any provision equivalent to that Class in any statutory instrument revoking and re-enacting that Order with or without modification) other than the purpose(s) of C3(a).

Reason - In the interests of residential amenity, to safeguard the character of the area and to maintain the sustainability of the local community through provision of accommodation that is suitable for people living as families pursuant to policies DM1 and H11 of the Core Strategy for Manchester and the guidance contained within the National Planning Policy Framework.

16) The residential use hereby approved shall be used only as private dwellings (which description shall not include serviced properties or similar uses where sleeping accommodation (with or without other services) is provided by way of trade for money or money's worth and occupied by the same person for less than ninety consecutive nights) and for no other purpose (including any other purpose in Class C3 of the Schedule to the Town and Country Planning (Use Classes) Order 1987 (as amended), or any provision equivalent to that Class in any statutory instrument revoking and re-enacting that Order with or without modification).

Reason - To safeguard the amenities of the neighbourhood by ensuring that other uses which could cause a loss of amenity such as serviced apartments/apart hotels do not commence without prior approval; to safeguard the character of the area, and to maintain the sustainability of the local community through provision of accommodation that is suitable for people living as families pursuant to policies DM1 and H11 of the Core Strategy for Manchester and the guidance contained within the National Planning Policy Framework.

17) The commercial units as indicated on the approved drawings listed at condition 2 shall be occupied as Class E and for no other purpose of The Town and Country Planning (Use Classes) Order 1987 (or any order revoking and re-enacting that Order with or without modification).

Reason - For the avoidance of doubt and in order to secure a satisfactory form of development due to the particular circumstance of the application site, ensuring the vitality of the units and in the interest of residential amenity, pursuant policy DM1 of the Core Strategy for Manchester (2012).

18) Notwithstanding the General Permitted Development Order 2015 as amended by the Town and Country Planning (Permitted Development and Miscellaneous Amendments) (England) (Coronavirus) Regulations 2020 or any legislation amending or replacing the same, no further development in the form of upward extensions to the building shall be undertaken other than that expressly authorised by the granting of planning permission.

Reason - In the interests of protecting residential amenity and visual amenity of the area in which the development in located pursuant to policies DM1 and SP1 of the Manchester Core Strategy.

19) Before the development hereby approved commences, a report (the Preliminary Risk Assessment) to identify and evaluate all potential sources and impacts of any ground contamination, groundwater contamination and/or ground gas relevant to the

site shall be submitted to and approved in writing by the City Council as local planning authority. The Preliminary Risk Assessment shall conform to City Council's current guidance document (Planning Guidance in Relation to Ground Contamination).

In the event of the Preliminary Risk Assessment identifying risks which in the written opinion of the Local Planning Authority require further investigation, the development shall not commence until a scheme for the investigation of the site and the identification of remediation measures (the Site Investigation Proposal) has been submitted to and approved in writing by the City Council as local planning authority.

The measures for investigating the site identified in the Site Investigation Proposal shall be carried out, before the development commences and a report prepared outlining what measures, if any, are required to remediate the land (the Site Investigation Report and/or Remediation Strategy) which shall be submitted to and approved in writing by the City Council as local planning authority.

Reason - To ensure that the presence of or the potential for any contaminated land and/or groundwater is detected and appropriate remedial action is taken in the interests of public safety, pursuant to policies DM1 and EN18 of the Core Strategy.

20) When the development commences, the development shall be carried out in accordance with the previously agreed Remediation Strategy and Completion/Verification Report shall be submitted to and approved in writing by the City Council as local planning authority. In the event that ground contamination, groundwater contamination and/or ground gas, not previously identified, are found to be present on the site at any time before the development is occupied, then development shall cease and/or the development shall not be occupied until, a report outlining what measures, if any, are required to remediate the land (the Revised Remediation Strategy) is submitted to and approved in writing by the City Council as local planning authority and the development shall be carried out in accordance with the Revised Remediation Strategy, which shall take precedence over any Remediation Strategy or earlier Revised Remediation Strategy.

Reason - To ensure that the presence of or the potential for any contaminated land and/or groundwater is detected and appropriate remedial action is taken in the interests of public safety, pursuant to policies DM1 and EN18 of the Core Strategy.

21) Prior to the commencement of above ground works a plan indicating the positions, design, materials and type of boundary treatment to be erected at the development shall be submitted to and approved in writing by the City Council as local planning authority. The boundary treatment relevant to each dwelling shall be completed prior to its occupation. The development shall be carried out in accordance with the approved details and shall thereafter be retained.

Reason - To ensure that the appearance of the development is acceptable to the City Council as local planning authority in the interests of the visual amenity of the area within which the site is located in order to comply with saved policy E3.3 of the Unitary Development Plan for the City of Manchester and policies SP1 and DM1 of the Core Strategy.

22) Before the development hereby approved is first occupied a Travel Plan shall be submitted to and agreed in writing by the City Council as Local Planning Authority. In this condition a Travel Plan means a document which includes:

- A travel plan budget and resources for the day to day implementation and management
of travel plan measures.
- Appropriate management structures.
- Detailed timeframes for delivery.
- Travel plan handover arrangements when developer responsibility ceases.
- Target and monitoring arrangements.

Reason - To assist promoting the use of sustainable forms of travel, pursuant to policies SP1, T2 and DM1 of the Core Strategy and the Guide to Development in Manchester SPD (2007).

23) Prior to the first use of a phase of the development hereby approved, a servicing management strategy shall be submitted for approval in writing by the City Council, as Local Planning Authority. The approved strategy shall then be implemented as part of that phase of the development and remain in place for as long as the development remains in use.

Reason - In the interest of highway and pedestrian safety pursuant to policies SP1, T2 and DM1 of the Manchester Core Strategy (2012).

24) Deliveries, servicing and collections, including waste collections shall not take place outside of the following hours: 07.30 to 20.00 hrs Monday to Saturday, no deliveries/waste collections on Sundays / Bank Holidays.

Reason - To safeguard the amenities of nearby occupiers, pursuant to Policies DM1 and SP1 of the Manchester Core Strategy.

25) The development hereby approved shall not be occupied or used until the Council as local planning authority has received a scheme for the extraction of any fumes, vapours and odours from the premises, to be submitted to, and approved in writing by, the City Council as local planning authority. The approved scheme shall be implemented prior to occupancy and shall remain operational thereafter.

Reason - In the interests of the amenities of the occupiers of nearby properties in order to comply with Policy DM1 of the Core Strategy for the City of Manchester.

26) Prior to occupation, details of the proposed opening hours of the retail units shall be submitted to and approved in writing by the City Council as local planning authority. The units shall be not be operated outside the hours approved in discharge of this condition.

Reason - In interests of residential amenity in order to reduce noise and general disturbance in accordance with saved policy DC26 of the Unitary Development Plan for the City of Manchester and policies SP1 and DM1 of the Core Strategy.

27) External lighting shall be designed and installed so as to control glare and overspill onto nearby residential properties.

Upon completion of the development a verification report will be required to validate that the work undertaken throughout the development conforms to the recommendations and requirements in the approved light consultant's report. The report shall also undertake post completion testing to confirm that acceptable criteria has been met. Any instances of non-conformity with the recommendations in the report shall be detailed along with any measures required to ensure compliance with the criteria.

Reason - In the interests of visual and residential amenity pursuant to Core Strategy policies SP1 and DM1 of the Core Strategy.

28) The retail premises shall be acoustically insulated and treated to limit the break out of noise in accordance with a noise study of the premises and a scheme of acoustic treatment that has been submitted to and approved in writing by the City Council as local planning authority. The scheme shall be implemented in full before the use commences or as otherwise agreed in writing by the City Council as local planning authority.

Upon completion of the development a verification report will be required to validate that the work undertaken throughout the development conforms to the recommendations and requirements in the approved acoustic consultant's report. The report shall also undertake post completion testing to confirm that acceptable criteria has been met. Any instances of non-conformity with the recommendations in the report shall be detailed along with any measures required to ensure compliance with the agreed noise criteria.

Reason - To secure a reduction in noise in order to protect future residents from noise nuisance, pursuant to policies SP1 and DM1 of the Core Strategy and saved UDP Policy DC26.

29) Before the development commences a scheme for acoustically insulating the proposed residential accommodation against noise from the ground floor commercial units and the nearby busy roads shall be submitted to and approved in writing by the City Council as local planning authority. There may be other actual or potential sources of noise which require consideration on or near the site, including any local commercial/industrial premises. The approved noise insulation scheme shall be completed before any of the dwelling units are occupied.
Noise survey data must include measurements taken during a rush-hour period and night time to determine the appropriate sound insulation measures necessary. The following noise criteria will be required to be achieved:
Bedrooms (night time - 23.00 - 07.00) 30 dB LAeq (individual noise events shall not exceed 45 dB LAmax,F by more than 15 times)
Living Rooms (daytime - 07.00 - 23.00) 35 dB LAeq
Gardens and terraces (daytime) 55 dB LAeq
Upon completion of the development and before first occupation of the residential units, a verification report will be required to validate that the work undertaken throughout the development conforms to the recommendations and requirements in the approved acoustic consultant's report. The report shall also undertake post completion testing to confirm that the internal noise criteria has been met. Any instances of non-conformity with the recommendations in the report shall be detailed along with any measures required to ensure compliance with the internal noise criteria.
Additionally, where entertainment noise is a factor in the noise climate the sound insulation scheme shall be designed to achieve internal noise levels in the 63Hz and 125Hz octave centre frequency bands so as not to exceed (in habitable rooms) 47dB and 41dB, respectively.

Reason - To secure a reduction in noise from traffic or other sources in order to protect future residents from noise disturbance pursuant to Core Strategy policies SP1 and DM1 of the Core Strategy.

30) a) Any externally mounted ancillary plant, equipment and servicing to be installed shall be selected and/or acoustically treated in accordance with a scheme designed so

as to achieve a rating level of 5dB (LAeq) below the typical background (LA90) level at the nearest noise sensitive location. Prior to its installation, the scheme shall be submitted to and approved in writing by the City Council as Local Planning Authority in order to secure a reduction in the level of noise emanating from the site.

b) Prior to any externally mounted ancillary plant, equipment and servicing to be installed becoming operational, an approved verification report shall be submitted to and approved in writing by the City Council as Local Planning authority to validate that the work undertaken throughout the development conforms to the recommendations and requirements in the approved acoustic report. The report shall also undertake post completion testing to confirm that the noise criteria have been met. Any instances of non - conformity with the recommendations in the report shall be detailed along with any measures required to ensure compliance with the agreed noise criteria.

Reason - To minimise the impact of the development and to prevent a general increase in pre-existing background noise levels around the site, pursuant to saved policy DC26 of the Unitary Development Plan for the City of Manchester and policies DM1 and SP1 of the Manchester Core Strategy.

31) Before the development commences a scheme for the storage and disposal of refuse shall be submitted to and approved in writing by the City Council as local planning authority. The details of the approved scheme shall be implemented as part of the development and shall remain in situ whilst the use or development is in operation.

New developments shall have refuse storage space for segregated waste collection and recycling. Internal and external storage areas are required.

Reason - In the interests of residential amenity and to secure appropriate arrangements for the storage and collection of segregated waste and recycling, pursuant to policies SP1, EN19 and DM1 of the Core Strategy for the City of Manchester.

32) The development hereby approved shall only be carried out in accordance with measures detailed within the submitted preliminary bat survey report produced by Braithwaite Bat Surveys received by the City Council, as Local Planning Authority on 26 August 2020.

Reason - To ensure the protection of habitat of species that are protected under the Wildlife and Countryside Act 1981 or as subsequently amended and to comply with policy EN15 of the Manchester Core Strategy.

33) Prior to above ground works details of roller shutters to the new shop fronts, shall be submitted for approval in writing by the City Council, as Local Planning Authority. For the avoidance of doubt this shall include a section through of the shutter in the shop front and specification of the shutter. The approved details shall be implemented as part of the development prior to the first occupation and thereafter retained and maintained in situ.

Reason - To ensure the roller shutters are appropriate in appearance pursuant to policies SP1, EN1 and DM1 of the Manchester Core Strategy (2012).

34) Prior to the first occupation of the development hereby approved a signage strategy for the entire building shall be submitted for approval in writing by the City Council, as Local Planning Authority.

The approved strategy shall then be implemented and used to inform any future advertisement applications for the building.

Reason - In the interest of visual amenity pursuant to policies SP1 and DM1 of the Manchester Core Strategy (2012).

35) All windows at ground level, unless shown otherwise on the approved drawings detailed in condition 2, shall not be obscured by window vinyl's.

Reason - The clear glazed window(s) is an integral and important element in design of the ground level elevations and are important in maintaining a visually interesting street-scene consistent with the use of such areas by members of the public, and so as to be consistent with saved policy DC14 of the Unitary Development Plan for the City of Manchester and policies SP1 and DM1 of the Core Strategy.

Informatives

Building Regulations 2010
This permission does not grant approval under Building Regulations.

Street Naming & Numbering Requirements
Manchester City Council is responsible for allocating street naming and numbering within Manchester for new developments or property conversions. Individuals or businesses are not permitted to allocate their own property numbers, building or street names.

If your development includes the creation of new dwellings (either new build or conversion of existing buildings), creation of new commercial properties or the subdivision of existing properties you must ensure that you request new or changes to addresses through us so they can be officially allocated and registered in accordance with the Public Health Act 1925 Sections 17-19 & Greater Manchester Act 1981 Section 22.

Failure to do this may result in difficulties for the developer/occupier when requiring services such as connections to utilities, phone lines and postal services and may delay your development.

You can apply online at the following address:
http://www.manchester.gov.uk/info/100011/roads_parking_and_transport/1988/naming_and_numbering_of_houses_buildings_streets_and_roads/2

Mining Information
The proposed development lies within an area which could be subject to current coal mining or hazards resulting from past coal mining. Please read the Standing Advice from the Coal Authority in Appendix A.

Date: 11 December 2023

Signed:

Julie Roscoe

Director of Planning, Building Control & Licensing

Manchester City Council, P O Box 532, Town Hall, Manchester M60 2LA

Notes

1. This permission refers only to that required under the Town and Country Planning Act 1990 does not include any consent or approval under any other enactment, byelaw, order or regulation.

2 If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, they may appeal to the Secretary of State in accordance with Section 78(1) of the Town and Country Planning Act 1990 within six months of the date of the notice of the decision.

The Planning Inspectorate have introduced an online appeals service that can be used to make appeals online. This service is available through the gov.uk website – www.gov.uk/appeal-planning-decision The Inspectorate will publish details of your appeal on the internet. Alternatively If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State has power to allow a longer period for the giving of a notice of appeal but they will not normally be prepared to exercise this power unless there are special circumstances that excuse the delay in giving notice of appeal.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the City Council (planning@manchester.gov.uk) and the Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

3. The statutory requirements are those set out in Section 79(6) of the Town and Country Planning Act 1990, namely Sections 70(1) and 72(1) of the Act.

4. If either the local planning authority of the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that they can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990

5. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to them. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.

Appendix A

The Coal Authority

STANDING ADVICE - DEVELOPMENT LOW RISK AREA

The proposed development lies within a coal mining area which may contain unrecorded coal mining related hazards. If any coal mining feature is encountered during development, this should be reported immediately to the Coal Authority on 0345 762 6848.

Further information is also available on the Coal Authority website at:
www.gov.uk/government/organisations/the-coal-authority

Standing Advice valid from 1st January 2023 until 31st December 2024
