Dear Jennifer

Re: Application No: CDN/22/0049

Location: White House, 193 Middleton Road, Manchester, M8 4JZ

We write further to your letter of 5th May 2022 in which you partially discharged condition 22 (Environmental Standards Statement – Phase 1). We write to confirm we have adhered to the ESS submitted and all certification (including as Built SAPS and EPC) have been approved by Local Authority Building Control. We would now request that C22 is fully discharged. Please let us know if you require any further information.

Yours sincerely,

Paul Sparkes
