Details of the pre-application advice received

Dear Barry,

I can confirm that residential use of the land adjacent to no.27 and no.32 Goole Street would be acceptable in principle . However , whilst acknowledging that these two plots are likely to have been occupied by end terraced houses historically , the plot adjacent to no.32 is quite narrow in regard to being redeveloped to meet modern standards.
As such, much would depend on the design and quality of the proposed dwellings, whether they would be keyed into the adjoining dwellings , and how overlooking to adjoining occupiers would be managed and privacy maintained for both the neighbouring residents and the occupiers of any future dwellings. The floor space would need to comply with the Manchester Residential Quality Guidance space standards, and consideration would be given to any on street parking issues locally , and any impacts of any future development on the existing situation.

The above advice is related to the information available to the City Council at this time. This advice may be subject to alteration as a result of consultation or if further information is brought to the attention of the City Council, which materially affects the consideration of this matter.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:
(a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

◯ Yes
⊘ No

⊘ No

*** "owner" is a person with a freehold interest or leasehold interest with at least 7 years left to run.**
