Notes.
All dimensions & levels show design intent. Survey has been carried out for drafting purposes only.
Critical dimensions should be site measured;
Dimensions are shown to finished face of walls or edges of structural opening unless otherwise noted;
S.O. denotes structural opening size - to be site measured prior to order of any windows & doors;
(e) denotes existing dimension to be confirmed on site;
dimensions shown in grey are nominal - to be confirmed on site and must not be used for setting out.
