

Important – Planning permission & notices of consent

Compliance with conditions

- Your planning approval or consent is attached. It will contain conditions that you must comply with.
- Please read the conditions and understand their requirements and restrictions, for example submission and approval of details or measures to protect trees.
- Some conditions will require action before you start development and it is imperative that you seek to have these discharged before any work commences.
- Whilst every effort has been made to group conditions logically, it is your responsibility to ensure that you are aware of the requirements and/or restrictions of all conditions.
- If you fail to comply with the conditions this may result in a breach of planning control and this may lead to enforcement action.
- Failure to comply with conditions may also result in the development not being lawful.
- It is in your interests to demonstrate that conditions have been complied with. Failure to do so may cause difficulties if the property is sold or transferred.
- A fee is payable for each request to discharge conditions.
- For advice on any of these matters, please contact Planning, Manchester City Council, PO Box 532, Town Hall, Manchester M60 2LA or email planning@manchester.gov.uk

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **granted** in accordance with the application and plans submitted subject to the condition(s) listed below (if any).

Condition(s) attached to this decision

1) No advertisement is to be displayed without the permission of the owner of the site or any other person with an interest in the site entitled to grant permission.

No advertisement shall be sited or displayed so as to:

- (a) endanger persons using any highway, railway, waterway, dock, harbour or aerodrome (civil or military);
- (b) obscure, or hinder the ready interpretation of, any traffic sign, railway signal or aid to navigation by water or air; or
- (c) hinder the operation of any device used for the purpose of security or surveillance or for measuring the speed of any vehicle.

Any advertisement displayed, and any site used for the display of advertisements, shall be maintained in a condition that does not impair the visual amenity of the site.

Any structure or hoarding erected or used principally for the purpose of displaying advertisements shall be maintained in a condition that does not endanger the public.

Where an advertisement is required under these Regulations to be removed, the site shall be left in a condition that does not endanger the public or impair visual amenity.

2) The development hereby approved shall be carried out in accordance with the following drawings and documents:

The Application Form, The Supporting Information by JC Decaux ref A02277 Part one and Part Two, stamped as received on the 29 June 2023 and Traffic Information by JC Decaux Ref A02277, received electronically on the 17 August 2023.

Reason - To ensure that the development is carried out in accordance with the approved plans. Pursuant to policies SP1 and DM1 of the Core Strategy.

- 3) (a) No individual advertisements displayed on the LED panel shall contain moving images, animation, video or full motion images or any images that resemble road signs, traffic lights or traffic signs.
- (b) No individual advertisements shall be displayed for duration of less than 10 seconds.
- (c) Controls shall be in place to ensure smooth uninterrupted transition of images displayed on the panel.
- (d) The display panel shall be fitted with a light sensor, designed to adjust the brightness to changes in ambient light levels.
- (e) A mechanism shall be in place so that if the installation breaks down, it defaults to a black screen to avoid any flashing error messages or pixilation.
- (f) The maximum luminance level of the advertisements displayed on the panel shall not exceed 300 cd/m² during non daylight hours / inclement weather
Or for signs less than 10m²
- (f) The maximum luminance level of the advertisements displayed on the panel should not exceed 600 cd/m² during non-daylight/ inclement weather.

Reason- In the interest of visual amenity, and pedestrian and highway safety within the vicinity of the site Pursuant to saved policy DC15 and DM1 and TM1 of the Manchester Core Strategy.
