Delegated officer report for planning application

Application no. 138988/JO/2024

Date registered valid: 17 January 2024

Proposal: Variation of conditions 2 (Drawings), 3 (Details), 4 (Signage Strategy), 5 (Louvres), 7 (Conservation Strategy), and 8 (Tenant Fit Out) attached to Listed Building Consent 128891/LO/2020 to facilitate the creation of restaurant to Unit 3.

Address: Hanover Building, 130 Corporation Street, Manchester, M4 4GW

Ward(s): Piccadilly Ward

Applicant: NOMA (GP) Ltd

Agent (if any): Ms Eithne FitzGerald Deloitte LLP

Case officer: Michael Pearson
Tel: 0161 219 2735
Email: michael.pearson@manchester.gov.uk

Recommendation: Approve

Date of recommendation: 06/03/2024

Departure from Development Plan: No

Environmental Statement: Not required

Description of site/building

The application relates to the Grade II listed Hanover Building, a six storey with basement red brick building, with excellently preserved decorative sandstone carvings dating from the early 20th century. The site benefits from an extant planning permission for the situation of 4no commercial units at its ground floor (Approved under planning permissions 128890/FO/2020 and 128891/LO/2020). As existing the site's upper floors are in an office use and one of its 4no ground floor commercial units is occupied in a Class E use (Unit 4), with the 3no remaining units (Units 1-3) being unoccupied. Unauthorised louvres are present within the property's Federation Street and Hanover Street elevations.

Listed building: Not applicable

Conservation area: Shudehill Conservation Area 1987

Tree Preservation Order: Not applicable

Description of area

The application site is surrounded by a mix of city centre uses, including the office-led, mixed-use development within the wider NOMA estate, residential apartments, public realm and landscaping at Sadler's Yard, 1 Angel Square and Angel Meadow. It is also in close proximity to two major public transport modes, Manchester Victoria Station to the southwest and Shudehill Interchange to the southeast.

Description of development

The application seeks listed building consent to vary planning permission 128891/LO/2020 to alter conditions 2 (Drawings), 3 (Details), 4 (Signage Strategy), 5 (Louvres), 7 (Conservation Strategy), and 8 (Tenant Fit Out) in order to allow for the creation of a restaurant use within Unit 3 of the property.

Externally, the proposal would see the removal of unauthorised louvres, the retention of a single louvre and the insertion of a new louvre. Unit 3 would then feature new signage in the form of backlit projecting signs and painted lettering above the property's entrance.

Internally, the fit out of unit 3 would consist of the installation of new flooring that includes decorative tiles to a new entrance ramp, timber boards to the restaurant floor and a resin bound surface within the back of house area. New partitions would divide the space in order to create back of house areas, a restaurant floor, WCs and a bar. Banquette seating would line the northern wall of the unit, then being secured to the floor with bolts. New drainage connections would be made to the serve the unit that would then penetrate the basement space below. M&E infrastructure would be present, with a dropped ceiling being proposed to cover the back of house area, WCs and entrance ramp area.

Planning History

A high number of applications are on record for the application site, the most relevant of which are shown below:

CDN/24/0031 - Discharge of Conditions 3f (Details), 4 (Noise - Cafe, Bar, and Gym), and 13 (Louvres) attached to Planning Permission 128890/FO/2020 for Unit 3 only – Application pending consideration.

139042/JO/2024 - Variation of Conditions 2 (Drawings), 3 (Details), 4 (Noise Cafe Bar and Gym), 6 (Hours use), 7 (Fumes), 8 (Operating Strategy), 11 (Refuse - non office), 13 (Louvres), 15 (Conservation Strategy) and 16 (Tenant Fit Out) attached to Planning Permission 128890/FO/2020 to facilitate the creation of restaurant to Unit 3 – Application pending consideration.

138988/JO/2024 - Variation of conditions 2 (Drawings), 3 (Details), 4 (Signage Strategy), 5 (Louvres), 7 (Conservation Strategy), and 8 (Tenant Fit Out) attached to Listed Building Consent 128891/LO/2020 to facilitate the creation of restaurant to Unit 3 – Application pending consideration.

CDN/24/0002 - Discharge of Conditions 3 (Details) and 5 (Louvres) attached to Listed Building Consent application 128891/LO/2020 for unit 3 only – Approved February 2021.

CDN/21/0607 - Discharge of condition 4 (Signage Strategy) attached to application ref no 128891/LO/2020 – Approved October 2021.

CDN/21/0606 - Discharge of condition 11 (Signage Strategy) attached to application ref no 128890/FO/2020 – Approved October 2021.

128891/LO/2020 - Listed Building Consent for internal and external alterations to the ground and lower ground floor, including new entrances, installation of plant, and associated works and internal fit out of Unit 4 – Approved February 2021.

128890/FO/2020 - Planning permission for the expansion of use classes in the ground and lower ground units of Grade II Listed Hanover Building and E-Block to Use Class E and Sui generis

(drinking establishment); together with the creation of new entrances at ground floor level, external plant and associated works – Approved February 2021.

Consultations & Notification Responses

Publicity – None received.

Policy

The Manchester Core Strategy – Development Plan Document 2012-2027 (“the Core Strategy”) was adopted by the City Council on the 11th of July 2012:

- Policy SP1 – Spatial Principles
- Policy EC1 – Employment and Economic Growth in Manchester
- Policy EC2 – Existing Employment Space
- Policy CC1 – Primary Economic Development Focus: City Centre and Fringe
- Policy CC2 – Retail
- Policy CC4 – Visitors – Tourism, Culture and Leisure
- Policy CC9 – Design and Heritage
- Policy EN1 – Design Principles and Strategic Character Areas
- Policy EN3 – Heritage
- Policy EN16 – Air Quality
- Policy DM1 – Development Management

Saved Unitary Development Plan for Manchester – The following saved UDP Policies are of relevance to this application:

- Policy DC10 – Food and Drink Uses
- Policy DC14 – Shop fronts and related signs
- Policy DC18 – Conservation Areas
- Policy DC19 – Listed Buildings
- Policy DC26 – Development and Noise

National Planning Policy Framework (NPPF)

- Chapter 9 – Promoting Sustainable Transport
- Chapter 12 – Achieving Well-Designed Places
- Chapter 16 – Conserving and Enhancing the Historic Environment

Other Legislative Requirements

NOMA Strategic Regeneration Framework

Planning (Listed Buildings and Conservation Areas) Act 1990

Section 16(2) of the Planning (Listed Buildings and Conservation Areas) Act 1990 (LBCA Act) states that in considering whether to grant Listed Building Consent for any works the Local Planning Authority shall have special regard to the desirability of preserving the building or its setting or any features of special architectural or historic interest which it possesses.

Section 66 of the LBCA Act requires the local planning authority to have special regard to the desirability of preserving the setting of listed buildings. This requires more than a simple balancing exercise and considerable importance and weight should be given to the desirability of preserving the setting.

The Places for Everyone Plan is a Joint Development Plan Document, providing a strategic plan and policies, for nine of the 10 boroughs which make up Greater Manchester. Once the Places for Everyone Plan is adopted it will form part of Manchester's development plan.

To date, five consultations have taken place in relation on the Plan. The Examination of Plan, following its submission in February 2022, began in November 2022. Following the completion of the Examination of the Plan, main modifications have now been proposed which will now become the subject of further public consultation.

The City Council's Executive agreed the Main Modification on 4 October 2023 and endorsed an 8 week period of public consultation on the Main Modifications commencing no earlier than 9 October 2023.

Any representations will be forwarded to the Examination team managing the Plan. The Inspectors will consider all representations on the proposed Modifications before finalising the examination report.

Given the stage the Plan has reached, and level of public consultation and scrutiny it has received, the Plan and its policies is now a material planning consideration in the determination of planning applications. The Plan and its policies must therefore be given significant weight in the planning balance. The Plan and its policies must therefore be given significant weight in the planning balance. Relevant policies to the proposal are show below:

- Policy JP-P2 – Heritage

Issues

Impact upon Heritage Asset

Externally the proposed works are limited to the removal of an unauthorised louvre at the unit's entrance and the retention of a single louvre on the property's Federation Street elevation, and the removal of 2no unauthorised louvres and the insertion of a single louvre within the property's Hanover Street elevation. The removed louvres would be replaced by a timber sash window to match those already present on site, as well as a glazed unit that would be situated above the unit's entrance that would then serve as a location for signage. It is acknowledged that the proposal would see a net decrease in the number of louvres that serve unit 3, decreasing from 4no to 2no. Additionally, it is also noted that louvres are already present on site that serve unit 4 along Federation Street, as well as along Hanover Street. On this basis it is not considered that the approval of 2no louvres, a timber window and glazed panel would have an unacceptable impact on the appearance of the listed building.

Information has also been submitted in relation to the proposed signage for unit 3. This would consist of gold leaf painted lettering applied behind the proposed glazed panel situated above the unit's entrance, as well as backlit projecting signage. This signage is consistent with the approved signage strategy (CDN/21/0607) and neighbouring signage located elsewhere on the application property; thus, this element of the proposal is acceptable from a heritage perspective.

Internally, the introduction of new flooring, access ramp and internal partitions are considered to have a neutral impact on the heritage asset, with said works being reversible and not interfering with areas of historical importance. The proposed dropped ceiling, that would obscure M&E and over ventilation equipment from view, would extend through the back of house area of the restaurant and over the proposed accessible ramp, this would then leave one to be able to view the unit's original ceiling from the bar and seating area of the restaurant. The proposed banquette seating would partly obscure original glazed brickwork, notwithstanding this however, it is

acknowledged that the seating would not physically tie into the glazed brickwork, thereby causing no permanent damage to the listed building.

The proposed drainage details would see new openings created within the floor of the unit that would then drop down to the property's lower ground floor/basement level. The principle of drainage points within these locations is considered acceptable, however, full and final details of these works should be conditioned as part of any approval.

In light of the above it is considered the proposed works would leave the majority of historic features exposed and would be reversible causing no permanent damage to the appearance or significance to the listed building. On this basis, subject to appropriate planning condition, the proposal would have a neutral impact on the significance of the listed building and therefore, the proposal would meet the statutory test to preserve as put forward under Section 16(2) of the Planning (Listed Building and Conservation Areas) Act 1990 and as such is in accordance with policies SP1, CC9, EN3 and DM1 of the Manchester Core Strategy (2012), saved policies DC18.1 and DC19.1 of the Unitary Development Plan for the City of Manchester (1995), Places for Everyone Plan Policy JP-P2, the National Planning Policy Framework and Planning (Listed Buildings and Conservation Areas) Act 1990.

Conclusion

In light of the above, subject to appropriate planning condition the proposed development is acceptable and is thus in accordance with Core Strategy Policies SP1, EC1, EC2, CC1, CC2, CC4, CC9, EN1, EN4, EN16 and DM1, Saved Unitary Development Plan Policies DC10, DC14, DC19 and DC26, Saved Unitary Development Plan Policies DC10, DC14, DC18, DC19 and DC26, NOMA Strategic Regeneration Framework, The Planning (Listed Building and Conservation Areas) Act 1990, and the National Planning Policy Framework.

Other Legislative Requirements Equality Act 2010

Section 149 (Public Sector Equality Duty) of the Equality Act 2010 requires due regard to the need to: Eliminate unlawful discrimination, harassment and victimisation and other conduct prohibited by the Act and; Advance equality of opportunity between persons who share a protected characteristic and persons who do not share it. The Equality Duty does not impose a legal requirement to conduct an Equality Impact Assessment. Compliance with the Equality Duty involves consciously thinking about the aims of the Equality Duty as part of the process of decision-making.

Human Rights Act 1998 considerations

This application needs to be considered against the provisions of the Human Rights Act 1998. Under Article 6, the applicants (and those third parties, including local residents, who have made representations) have a right to a fair hearing and to this end the local planning authority must give full consideration to their comments.

Protocol 1 Article 1, and Article 8 where appropriate, confer(s) a right of respect for a person's home, other land and business assets. In taking account of all material considerations, including Council policy as set out in the Core Strategy and saved policies of the Unitary Development Plan, the Director of Planning, Building Control & Licensing has concluded that some rights conferred by these articles on the applicant(s)/objector(s)/resident(s) and other occupiers and owners of nearby land that might be affected may be interfered with but that that interference is in accordance with the law and justified by being in the public interest and on the basis of the planning merits of the development proposal. She believes that any restriction on these rights posed by the recommendation given is proportionate to the wider benefits of and that such a

decision falls within the margin of discretion afforded to the Council under the Town and Country Planning Acts.

Recommendation: Approve

Article 35 Declaration

Officers have worked with the applicant/agent in a positive and proactive manner in determining this application by assessing the proposal against relevant planning policies and all material considerations, identifying matters of concern with the proposal and discussing those with the applicant/agent. In this instance negotiation has been able to successfully resolve the identified concerns and issues.

Condition(s) to be attached to decision for approval OR Reasons for recommendation to refuse

- 1) The development must be begun not later than the 26/02/2024.

Reason - Required to be imposed pursuant to Section 18 of the Planning (Listed Buildings and Conservation Areas) Act 1990.

- 2) The development hereby approved shall be carried out in accordance with the following drawings and documents:

All received by the City Council as Local Planning Authority on 11/01/2024 unless specified otherwise.

Reason - To ensure that the development is carried out in accordance with the approved plans. Pursuant to policies EC1, CC9, CC10, EN3, EN15, EN16, EN17, EN19, T2, SP1 and DM1 of the Core Strategy, saved policies DC18.1, DC19.1 and DC26 and Sections 12 and 16 of the National Planning Policy Framework.

3) Notwithstanding the details approved within condition 2, before any works in relation to each of the following items commence within Units 1 or 2, the following shall be submitted to and approved in writing by the City Council as Local Planning Authority:

(a) Final details of the appearance and installation of the window grilles (including material samples);

(b) Final details of the appearance and installation of the gates to the junction of Balloon Street and Corporation Street and Hanover Street and Corporation Street (including material samples);

(c) Final location and details of staircases between the ground floor and basement and associated openings (units 1 and 2);

(d) Final details design of louvres within low level windows to Corporation Street;

(e) A shadow gap detail for the abutment of any partitions within existing original exposed fabric; and

(f) Final details of the subdivision and framing of the louvres within existing window openings to (a) Federation Street, (b) Hanover Street and (c) Balloon Street.

Reason - In the interests of visual amenity and because the proposed works affect a building which is included in the Statutory List of Buildings of Special Architectural or Historic Interest and careful attention to building work is required to protect the character and appearance of this building and to ensure consistency in accordance with policies CC9 and EN3 of the Core Strategy and saved policy DC19.1 of the Unitary Development Plan for the City of Manchester.

4) Any signage installed within units 1-4 shall be in line with 'NOMA - Hanover Retail Signage Framework' received by the City Council as Local Planning Authority on 13 August 2021; and in Unit 3 shall be in line with Skof - Signage Strategy' received by the City Council as Local Planning Authority on 14/02/2024;

Reason - In the interests of visual amenity to enable careful attention to signage details and the level of visual clutter associated with any signage required to protect the character and appearance of this building in accordance with policies SP1 and DM1 of the Core Strategy.

5) Notwithstanding the details as shown in condition 2, final agreement of the extent of the louvres within the existing openings on Corporation Street, Hanover Street, Balloon Street and Federation Street (outside of the demise of Units 3 and 4) shall be agreed in writing prior to occupation of each of units 1 and 2. The provision shall be based on a demonstrable need for the levels as shown in the approved drawings supported by the final details of any M&E requirements.

Reason - In the interests of visual amenity and because the proposed works affect a building which is included in the Statutory List of Buildings of Special Architectural or Historic Interest and careful attention to building work is required to protect the character and appearance of this

building and to ensure consistency in accordance with policies CC9 and EN3 of the Core Strategy and saved policy DC19.1 of the Unitary Development Plan for the City of Manchester.

6) A methodology and specification for any associated scaffolding and support structure for the listed building including its location, means of affixing to the building, location of any associated fixings to the building, details of how the building fabric would be protected from potential damage as a result of the erection of the scaffolding and details of making good to the building fabric following removal shall be submitted to and approved in writing by the City Council as local planning authority prior to the erection of such scaffolding. No development shall commence unless and until the above details have been agreed.

Reason - In the interests of visual amenity and because the proposed works affect a building which is included in the Statutory List of Buildings of Special Architectural or Historic Interest and careful attention to building work is required to protect the character and appearance of this building and to ensure consistency in accordance with policies CC9 and EN3 of the Core Strategy and saved policy DC19.1 of the Unitary Development Plan for the City of Manchester.

7) Notwithstanding the details within condition 2 and:

- o The Hanover House & E Block, NOMA Manchester Conservation Strategy by SLHA December 2020 (units 1-4);
- o Methodology for the formation of new doorway openings to corner of Corporation / Hanover Street, Hanover Building by Russells dated 21-02-21;
- o Methodology of Works -Hanover House Openings Rev B by Stone Central (units 1 and 2);
- o Methodology of Works - Hanover Unit 3 Drainage by GK Construction & Project Management (Reference HRU3-001; Received 11/01/2024)
- o Methodology of Works - Hanover Unit 3 Louvres by Sheppard Robson (Reference 6702-21-502; Received 11/02/2024)
- o Methodology of Works - Hanover Unit 3 Fixed Furniture by Blacksheep (Reference TBR001_A608.02; Received 11/01/2024)
- o Methodology of Works - Hanover Unit 3 Glazed Brick repair by GK Construction & Project Management (Reference HRU3-004; Received 11/01/2024)
- o Methodology of Works - Hanover Unit 3 Bulkhead Installation by Fileturn (Received 11/01/2024)
- o Methodology of Works - Hanover Unit 3 M&E Installation by The Fellerman Partnership (Dated 31/08/2023; Received 11/01/2024)

(a) Final details or repair methodology, technique and specifications (including where appropriate specification and method statement) for Unit 1 and 2 shall be agreed with MCC as part of the Conservation Methodology Tracker prior to any works in the relevant items within sections 3 and 4 of the Strategy commencing; and

(b) For Units 1 and 2 final details of the methodology, technique and specifications (including where appropriate specification and method statement) for the entrance and thresholds to each unit as set out in the Methodology for the formation of new doorway openings to corner of Corporation / Hanover street, Hanover Building by Russells dated 21-02-21 and Methodology of Works -Hanover House Openings Rev B by Stone Central shall be agreed with MCC prior to any works in the relevant items the Methodologies commencing;

All of the above shall implemented in accordance with the Methodology Tracker and final agreed Methodologies (Hanover) and shall be submitted to the City Council and agreed in writing prior to occupation.

Reason - In the interests of visual amenity and because the proposed works affect a building which is included in the Statutory List of Buildings of Special Architectural or Historic Interest and careful attention to building work is required to protect the character and appearance of this building and to ensure consistency in accordance with policies CC9 and EN3 of the Core Strategy and saved policy DC19.1 of the Unitary Development Plan for the City of Manchester.

8) Notwithstanding the details in condition 2, prior to occupation of each of the following areas of the building units 1 and 2 a final Tenant Fit Out Guide shall be submitted to and approved in writing by the City Council as Local Planning Authority. For the avoidance of doubt this does not supersede the need for an application for listed building consent for any alterations to existing building fabric or the subdivision of spaces within those units.

Reason - In the interests of visual amenity and because the proposed works affect a building which is included in the Statutory List of Buildings of Special Architectural or Historic Interest and careful attention to building work is required to protect the character and appearance of this building and to ensure consistency in accordance with policies CC9 and EN3 of the Core Strategy and saved policy DC19.1 of the Unitary Development Plan for the City of Manchester.

9) Notwithstanding the provisions of conditions 2 and 7, prior to the commencement of works in relation to Unit 3's drainage, final details of the method of fixing drainage ductwork shall be submitted to and approved in writing by the City Council as Local Planning Authority. The scheme shall then proceed in accordance with the approved details.

Reason - In the interests of visual amenity and because the proposed works affect a building which is included in the Statutory List of Buildings of Special Architectural or Historic Interest and careful attention to building work is required to protect the character and appearance of this building and to ensure consistency in accordance with policies CC9 and EN3 of the Core Strategy and saved policy DC19.1 of the Unitary Development Plan for the City of Manchester.
