John,

16 Park Avenue Manchester M19 2EE - 139241/TCA/2024

The applicant has proposed to carry out the following works:

Trees 5 and 9 on sketch to be removed.

Both ornamental trees (mock cherry?) planted approx. 25 years ago.

Trees to be removed to allow more light into garden. As trees are ornamental/non-native they will not be replaced.

I can confirm that the trees have limited visual amenity value and would not be worthy of TPO status.

We would have no objection to the proposed removal of the 2x Cherry trees.

Kind regards
