Thank you for taking the time to show me around the property yesterday. I have compared the approved plans related to the application 128296/FO/2020 with the photos I took of the site with my manager and I can confirm that a separate planning application is required in order to address the changes made to the approved plans, specifically the additional bedroom created on the second floor, the size, materials and appearance of the dormer and any proposed variations to the floor plan of the ground floor. I have attached a copy of the appeal decision to this email which describes the conditions attached to the approved planning permission in further detail.

I would appreciate it if you could please let me know when you intend to submit a planning application to address these changes. If you have any questions regarding this request, please let me know.
