Part 1 – Particulars of the application/development

Proposal: Erection of a two storey side extension and single storey rear extension to provide additional living accommodation.

Location: 38 Wyverne Road, Manchester, M21 0ZN

Date of application: 27 November 2023

Application number: 138647/FH/2023

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Refused** in accordance with the application and plans submitted for the reason(s) listed below.

Article 35 Declaration

Officers have worked with the applicant in a positive and proactive way to find solutions for planning problems. Issues arose while reviewing the application. Officers talked with the applicant and others involved to find a solution they could all agreed on, however, a solution was unable to be found.

Reason(s) for decision

1) The two storey side extension, in line with the main elevation, would sit 800m from the boundary which would create a terracing effect unsympathetic to the street scene and create an unsatisfactory visual relationship between elements of No. 38 and No. 36. This is counter to DM 1, SP 1 and EN 1 of the Core Strategy, saved policy DC1 of the Extant UDP and Section 12 of the NPPF.

2) The two storey side extension gable wall close to the lower hipped roofline of No. 36 would create an overbearing effect from No.38 to No.36. This would have a negative impact to the visual relationship of the buildings and street scene, and the residential

amenity of No. 36 and is contrary to DM1 of the Core Strategy and saved UDP policy DC1.

The Planning Inspectorate have introduced an online appeals service that can be used to make appeals online. This service is available through the gov.uk website – www.gov.uk/appeal-householder-planning-decision. The Inspectorate will publish details of your appeal on the internet.
