

Important – Planning permission & notices of consent

Compliance with conditions

- Your planning approval or consent is attached. It will contain conditions that you must comply with.
- Please read the conditions and understand their requirements and restrictions, for example submission and approval of details or measures to protect trees.
- Some conditions will require action before you start development and it is imperative that you seek to have these discharged before any work commences.
- Whilst every effort has been made to group conditions logically, it is your responsibility to ensure that you are aware of the requirements and/or restrictions of all conditions.
- If you fail to comply with the conditions this may result in a breach of planning control and this may lead to enforcement action.
- Failure to comply with conditions may also result in the development not being lawful.
- It is in your interests to demonstrate that conditions have been complied with. Failure to do so may cause difficulties if the property is sold or transferred.
- A fee is payable for each request to discharge conditions.
- For advice on any of these matters, please contact Planning, Manchester City Council, PO Box 532, Town Hall, Manchester M60 2LA or email planning@manchester.gov.uk

Part 1 – Particulars of the application/development

Proposal: Erection of 2 x two storey dwellinghouses (Class C3) in the grounds of the existing property, together with associated parking, landscaping and boundary treatment

Location: Land Adjacent To 30 Melling Street, Manchester, M12 4PH

Date of application: 22 November 2023

Application number: 138527/FO/2023

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Approved** in accordance with the application and plans submitted subject to the condition(s) listed below (if any).

Article 35 Declaration

Condition(s) attached to this decision

0) Officers have worked with the applicant / agent in a positive and proactive manner to guide the application through all stages of the planning process and resolve any issues that arose in dealing with the planning application. The original submission raised initial concerns regarding the location of a culvert, and this matter has been satisfactorily resolved and the appropriate conditions have been attached.

1) The development must be begun not later than the expiration of three years beginning with the date of this permission.

Reason - Required to be imposed pursuant to Section 91 of the Town and Country Planning Act 1990.

2) The development hereby approved shall be carried out in accordance with the following drawings and documents:

Location and Existing site plan ref: P01 rev.B
Melling Street House Plan as proposed P03 rev.B
Melling Street House elevations as proposed plan ref P04 rev.B
Farrant Street Plans as proposed plan ref: P05
Farrant Road House elevations as proposed plan ref: P06
Received 9th November 2023

Landscape and Boundary Treatments plan ref: P02 rev.C received 29.01.2024

Reason - To ensure that the development is carried out in accordance with the approved plans, pursuant to policies SP1 and DM1 of the Manchester Core Strategy (2012).

3) Prior to the commencement of the development a detailed construction management plan outlining working practices during development shall be submitted to and approved in writing by the local planning authority, which for the avoidance of doubt should include:

- The routing of construction traffic;
- Detail the quantification/classification of vehicular activity associated with the construction including commentary on types and frequency of vehicular demands together with evidence (appropriate swept-path assessment);
- Details of the location and arrangements for contractor parking;
- The identification of the vehicular access points into the site for all construction traffic, staff vehicles and Heavy Goods Vehicles;
- Identify measures to control dust and mud including on the surrounding public highway including: details of how the wheels of contractor's vehicles are to be cleaned during the construction period;
- Specify the working hours for the site;
- The details of an emergency telephone contact number for the site contractor to be displayed in a publicly accessible location on the site from the commencement of development until construction works are complete;
- Identify advisory routes to and from the site for staff and HGVs.

Reason - To safeguard the amenities of nearby residents and highway safety, pursuant to policies SP1, EN9, EN19 and DM1 of the Manchester Core Strategy (2012).

4) Notwithstanding the references to materials in documents in condition no.2; prior to above ground works, samples and specifications of all materials to be used on all external elevations of the development shall be submitted to and approved in writing by the City Council as local planning authority. The development shall be carried out in accordance with the agreed details.

Reason -To ensure that the appearance of the development is acceptable to the City Council as local planning authority in the interests of the visual amenity of the area within which the site is located, pursuant to policies SP1 and DM1 of the Manchester Core Strategy (2012).

5) The car parking indicated on the approved plans development be surfaced, demarcated and made available for use prior to the new dwellings hereby approved

being occupied. The car parking shall then be available at all times whilst the dwellings are occupied.

Reason - To ensure that there is adequate car parking for the development proposed when the dwellings are occupied, pursuant to policies T2, SP1 and DM1 of the Manchester Core Strategy (2012).

6) Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended) (or any Order revoking and re-enacting that Order with or without modification), no garage shall be used for any purpose which would preclude its use for the parking of a motor vehicle and no development shall be undertaken that would preclude vehicular access to the garage.

Reason - The loss of garage parking space could result in an unacceptable increase in on-street parking and would thereby be detrimental to highway and pedestrian safety in order to comply with policies SP1, T1 and DM1 of the Manchester Core Strategy (2012).

7) Prior to above ground works, details of the location and specifications of the provision of electric vehicle charging points to each dwellinghouse hereby approved, shall be submitted to and approved by the local planning authority. The development shall be implemented in accordance with the approved details, and all the agreed works shall be completed prior to the proposed accommodation being occupied, and thereafter managed and maintained in accordance with the approved details.

Reason - To secure a reduction in air pollution from traffic or other sources in order to protect existing and future residents from air pollution, pursuant to policies EN16, SP1 and DM1 of the Manchester Core Strategy (2012).

8) a) Before the development hereby approved commences, a report (the Preliminary Risk Assessment) to identify and evaluate all potential sources and impacts of any ground contamination, groundwater contamination and/or ground gas relevant to the site shall be submitted to and approved in writing by the City Council as local planning authority. The Preliminary Risk Assessment shall conform to City Council's current guidance document (Planning Guidance in Relation to Ground Contamination).

In the event of the Preliminary Risk Assessment identifying risks which in the written opinion of the Local Planning Authority requires further investigation, the development shall not commence until a scheme for the investigation of the site and the identification of remediation measures (the Site Investigation Proposal) has been submitted to and approved in writing by the City Council as local planning authority.

The measures for investigating the site identified in the Site Investigation Proposal shall be carried out, before development commences and a report prepared outlining what measures, if any, are required to remediate the land (the Site Investigation Report and/or Remediation Strategy) which shall be submitted to and approved in writing by the City Council as local planning authority.

b) When the development commences, the development shall be carried out in accordance with the previously agreed Remediation Strategy and prior to occupation a Completion/Verification Report shall be submitted to and approved in writing by the City Council as local planning authority.

In the event that ground contamination, groundwater contamination and/or ground gas, not previously identified, are found to be present on the site at any time before the development in each phase is occupied, then development shall cease and/or the

development shall not be occupied until, a report outlining what measures, if any, are required to remediate the land (the Revised Remediation Strategy) is submitted to and approved in writing by the City Council as local planning authority and the development shall be carried out in accordance with the Revised Remediation Strategy, which shall take precedence over any Remediation Strategy or earlier Revised Remediation Strategy.

Reason - To ensure that the presence of or the potential for any contaminated land and/or groundwater is detected, and appropriate remedial action is taken in the interests of public safety, pursuant to policy EN 18 of the Manchester Core Strategy (2012).

9) The development shall be implemented in accordance with waste management strategy and locations for bin storage shown on Landscape and Boundary Treatments plan ref: P02 rev. C received 29.01.2024, and shall remain in situ whilst the use or development is in operation.

Reason - To protect the amenity of the occupants of the residential accommodation once the development hereby approved is occupied, pursuant to policies SP1, EN19 and DM1 of the Manchester Core Strategy (2012).

10) No site clearance works, including works to trees or shrubs, shall commence between 1 March and 31 August in any year, unless a detailed bird nest survey by a suitably experienced ecologist has been carried out immediately prior to clearance and written confirmation that no bird nests are present has been submitted to and approved in writing by the City Council as local planning authority.

Reason - In order to provide protection to nesting birds, pursuant to policy EN15 of the Manchester Core Strategy (2012).

11) a) Prior to occupation of the development, and notwithstanding the details on Landscape and Boundary Treatments plan ref: P02 rev.C, a finalised detailed soft and hard landscaping scheme including incorporation of additional hard surfacing /'grasscrete' style product which would enable a vehicle to manoeuvre and leave the curtilage of the Farrant Road dwellinghouse site in forward gear, together with planting densities and species relating to the soft landscaping scheme (for both dwellinghouses) shall be submitted to and approved in writing by the City Council as local planning authority.

b) The approved landscaping scheme shall be implemented not later than 12 months from the date the buildings are first occupied. If within a period of 5 years from the date of the planting of any tree or shrub, that tree or shrub or any tree or shrub planted in replacement for it, is removed, uprooted or destroyed or dies, or becomes, in the opinion of the local planning authority, seriously damaged or defective in the development, another tree or shrub of the same species and size as that originally planted shall be planted at the same place within the development.

Reason - To ensure that a satisfactory landscaping scheme for the development is carried out that respects the character and visual amenities of the area, in accordance with policies SP1, EN9 and DM1 of the Manchester Core Strategy (2012).

12) In this condition "retained tree" means an existing tree annotated as being retained on the Landscape and Boundary Treatments plan ref: P02 rev.C received 29.01.2024, and

specified in condition no.2 and particulars; and paragraphs (c) and (d) below shall have effect until the expiration of 5 years from the date of the first occupation of the development for its permitted use.

(a) No retained tree shall be cut down, uprooted or destroyed, nor shall any retained tree be topped or lopped other than in accordance with the approved plans and particulars, without the written approval of the local planning authority. Any topping or lopping approved shall be carried out in accordance with British Standard 5387 (Trees in relation to construction)

(b) If any retained tree is removed, uprooted or destroyed or dies, another tree shall be planted at the same place and that tree shall be of such size and species, and shall be planted at such time, as may be specified in writing by the local planning authority.

(c) The erection of fencing for the protection of any retained tree shall be undertaken in accordance with the approved plans and particulars before any equipment, machinery or materials are brought on to the site for the purposes of the development, and shall be maintained until all equipment, machinery and surplus materials have been removed from the site.

Nothing shall be stored or placed in any area fenced in accordance with this condition and the ground levels within those areas shall not be altered, nor shall any excavation be made, without the written consent of the local planning authority.

Reason - In order avoid damage to trees/shrubs adjacent to and within the site which are of important amenity value to the area and in order to protect the character of the area, in accordance with policies EN9 and EN15 of the Manchester Core Strategy (2012).

13) Prior to any above ground works, a scheme for delivering biodiversity enhancement at the site (including the provision of bird boxes/sparrow terraces and bat boxes/bricks) , shall be submitted to and approved in writing by the City Council as the local planning authority. The biodiversity enhancement measures shall be implemented in accordance with the approved scheme, prior to the occupation of the buildings, and retained at all times thereafter

Reason - To ensure that landscape and ecology management is adequately in place and to ensure the longevity of new planting in different areas of the site and to comply with policy EN15 of the Manchester Core Strategy (2012).

14) A Watching Brief shall be undertaken in relation to culverted watercourses during the construction period. In the event that unforeseen conditions in connection with culverted watercourses are encountered on the site at any time before the development is occupied, during the watching brief, then development shall cease and/or the development shall not be occupied until a report detailing what measures, if any, are required to mitigate matters in association with the culverted watercourse , is submitted to and approved in writing by the City Council as local planning authority and the development shall be carried out in accordance with the agreed mitigation measures.

Reason - To ensure that the presence of any culverted watercourse is detected and appropriate remedial action is taken to prevent the increased risk of flooding, pursuant policies EN14, EN17 and DM1 of the Manchester Core Strategy (2012).

15) The boundary treatment shall be implemented in accordance with shown on plan ref: Landscape and Boundary Treatments plan ref: P02 rev.C received 29.01.2024, before the dwellings are first occupied and retained as such thereafter.

Reason - To ensure that the appearance of the development is acceptable to the City Council as local planning authority in the interests of the visual amenity of the area within which the site is located in order to comply with Policies SP1, EN1 and DM1 of the Manchester Core Strategy (2012), and the guidance provided within the Guide to Development in Manchester Supplementary Planning Document and Planning Guidance.

16) The bathroom window at first floor level in the rear elevation of each of the dwellinghouses hereby approved, shall be obscurely glazed to a specification of no less than level 5 of the Pilkington Glass Scale or such other alternative equivalent, and maintained in perpetuity.

Reason - In the interest of privacy and to protect the amenity and living conditions of adjacent properties and in accordance with policies EN1, SP1 and DM1 of the Manchester Core Strategy (2012).

17) The bedroom windows at first floor level in the rear elevation of the Farrant Road facing dwellinghouse shall be obscurely glazed to a height of 1.7m above internal floor level to a specification of no less than level 5 of the Pilkington Glass Scale or such other alternative equivalent, and maintained in perpetuity.

Reason - In the interest of privacy and to protect the amenity and living conditions of adjacent properties and in accordance with policies EN1, SP1 and DM1 of the Manchester Core Strategy (2012).

18) Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended) (or any order revoking and re-enacting that Order with or without modification) no part of the development shall be used for any purpose other than the purpose(s) of Class C3(a) of the Schedule to the Town and Country Planning (Use Classes) Order 1987 (as amended) (or in any provision equivalent to that Class in any statutory instrument revoking and re-enacting that Order with or without modification).

Reason - In the interests of residential amenity, to safeguard the character of the area and to maintain the sustainability of the local community through provision of accommodation that is suitable for people living as families pursuant to policies DM1 and H11 of the Manchester Core Strategy (2012) and the guidance contained within the National Planning Policy Framework.

19) Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 2015 (or any order revoking and re-enacting that Order with or without modification) no garages, extensions, porches, roof alterations or outbuildings shall be erected onto the dwellings within the development hereby approved other than those expressly authorised by this permission.

Reason - To safeguard the amenities of the occupiers of nearby residential accommodation, pursuant to policies SP1 and DM1 of the Manchester Core Strategy (2012).

20) Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 2015 (or any order revoking and re-enacting that Order with or without modification) no windows shall be inserted into the elevations of the

dwellinghouses hereby approved other than those shown on the approved drawings specified in condition 2.

Reason - In the interests of residential amenity pursuant to policy SP1 and DM1 of the Manchester Core Strategy (2012).

21) Notwithstanding the Town and Country Planning (General Permitted Development) Order 2015 as amended by the Town and Country Planning (Permitted Development and Miscellaneous Amendments) (England) (Coronavirus) Regulations 2020 or any legislation amending or replacing the same, no further development in the form of upward extensions to the buildings shall be undertaken save where it is authorised by the granting of planning permission.

Reason - In the interests of protecting residential amenity and visual amenity of the area in which the development is located pursuant to policies DM1 and SP1 of the Manchester Core Strategy (2012).

22) Prior to the commencement of any above ground works, finalised detailed designs (including cross sections) of the windows reveals on the elevations of the dwellinghouses shall be submitted to and approved in writing by the City Council as local planning authority. The development shall be carried out in accordance with the agreed details.

Reason - To ensure that the appearance of the development is acceptable to the City Council as local planning authority in the interests of the visual amenity of the area within which the site is located, pursuant to policies SP1 and DM1 of the Manchester Core Strategy (2012).

Informatives

Building Regulations 2010

This permission does not grant approval under Building Regulations.

Street Naming & Numbering Requirements

Manchester City Council is responsible for allocating street naming and numbering within Manchester for new developments or property conversions. Individuals or businesses are not permitted to allocate their own property numbers, building or street names.

If your development includes the creation of new dwellings (either new build or conversion of existing buildings), creation of new commercial properties or the subdivision of existing properties you must ensure that you request new or changes to addresses through us so they can be officially allocated and registered in accordance with the Public Health Act 1925 Sections 17-19 & Greater Manchester Act 1981 Section 22.

Failure to do this may result in difficulties for the developer/occupier when requiring services such as connections to utilities, phone lines and postal services and may delay your development.

You can apply online at the following address:

http://www.manchester.gov.uk/info/100011/roads_parking_and_transport/1988/naming_and_numbering_of_houses_buildings_streets_and_roads/2

Mining Information

The proposed development lies within an area which could be subject to current coal mining or hazards resulting from past coal mining. Please read the Standing Advice from the Coal Authority in Appendix A.

Construction/demolition works shall be confined to the following hours :

- o Monday - Friday: 7.30am - 6pm
- o Saturday: 8.30am - 2pm
- o Sunday / Bank holidays: No work

Protected species can turn up in unexpected places and the granting of planning permission does not negate the need to abide by the laws which are in place to safeguard biodiversity. The applicant must seek ecological advice should they find or suspect that the proposals will impact on protected species.

The applicant should design and construct drainage system to prevent the increased risk of flooding, to improve and protect water quality and ensure future maintenance of the surface water drainage system pursuant to policy EN17 of the Manchester Core Strategy (2012).

MCC records highlight an underground culverted watercourse is located within close proximity to the site. While our records are frequently updated to ensure the highest level of accuracy, the records cannot guarantee 100% accuracy for all MCC underground assets. Therefore, we would request that the applicant informs the onsite contractor to remain observant and to take the appropriate safety precautions during excavation works. If any major unknown drainage assets are found beneath the site, then further investigation works should take place to identify the asset and MCC should be contacted immediately.

Date: 2 February 2024

Signed:

Julie Roscoe
Director of Planning, Building Control & Licensing

Manchester City Council, P O Box 532, Town Hall, Manchester M60 2LA

Notes

1. This permission refers only to that required under the Town and Country Planning Act 1990 does not include any consent or approval under any other enactment, byelaw, order or regulation.

2 If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, they may appeal to the Secretary of State in accordance with Section 78(1) of the Town and Country Planning Act 1990 within six months of the date of the notice of the decision.

The Planning Inspectorate have introduced an online appeals service that can be used to make appeals online. This service is available through the gov.uk website – www.gov.uk/appeal-planning-decision The Inspectorate will publish details of your appeal on the internet. Alternatively If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State has power to allow a longer period for the giving of a notice of appeal but they will not normally be prepared to exercise this power unless there are special circumstances that excuse the delay in giving notice of appeal.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the City Council (planning@manchester.gov.uk) and the Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

3. The statutory requirements are those set out in Section 79(6) of the Town and Country Planning Act 1990, namely Sections 70(1) and 72(1) of the Act.

4. If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that they can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990

5. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to them. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.

Appendix A

The Coal Authority

STANDING ADVICE - DEVELOPMENT LOW RISK AREA

The proposed development lies within a coal mining area which may contain unrecorded coal mining related hazards. If any coal mining feature is encountered during development, this should be reported immediately to the Coal Authority on 0345 762 6848.

Further information is also available on the Coal Authority website at:

www.gov.uk/government/organisations/the-coal-authority

Standing Advice valid from 1st January 2023 until 31st December 2024
