Hi Lucy

The only pre-commencement condition would be as follows:

The use of the additional 2nd floor bar area shall not commence unless and until the ramped access from Well Street as shown on dwg LXA-1691-50 Rev C has been implemented.

Reason - To ensure that satisfactory disabled access is provided by reference to the provisions Core Strategy policy DM1

Is this agreed?

Best Wishes

Angela

Hi Lucy

Can you get me an elevational dwg to show the appearance of the double doors on Well Street - can I have this by tomorrow at the latest to keep on track for a decision this week. I am not in on Friday
