

Dear Lauren Mcilroy

Thank you for your valued enquiry. Further to our recent meeting to discuss your requirements, I have pleasure in confirming our quotation for the work discussed as set out below.

Over the next page or so you will find details of the products that we have discussed with the detailed specifications for each.

All of the items are priced individually and include survey, installation, making good, removal of all site waste, Fensa Certification, VAT & a fully comprehensive & inclusive 10 Year insurance backed guarantee.

To help make your decision easier here are a few reasons why our customers continue to use The Window Co.

- We are the highest rated Window Company on Google in the UK with over 300 5 Star reviews.
- We have a diverse product range & don't take the "one glove fits all" approach meaning you get the right product & price for your property.
- We're a family-run company who have been trading continuously since 1988 with team members clocking up 20 years plus service.
- We're Approved Which? Trusted Traders - Like the well known which Best Buy logo the Which? Trusted Trader logo is a sign of reputation & trust & isn't easily attainable.
- We only employ our own installers who work solely for us, they're not paid on price per item either which means they have the time to do a professional, clean & quality job each & every time.
- We provide a fully comprehensive 10 Year Insurance Backed Guarantee. We cover the lot & have been doing for the past 30 years!

Please don't hesitate to get in touch should you have any questions regarding your quotation, you can also view our brochures [here](#)

If you wish to proceed please read what to do next at the end of this quotation.

Yours sincerely,  
Paul Worthington
