

Co-op Live Improvement Measures to Existing Walking Routes

The following information has been prepared to discharge Planning condition 30 which reads:

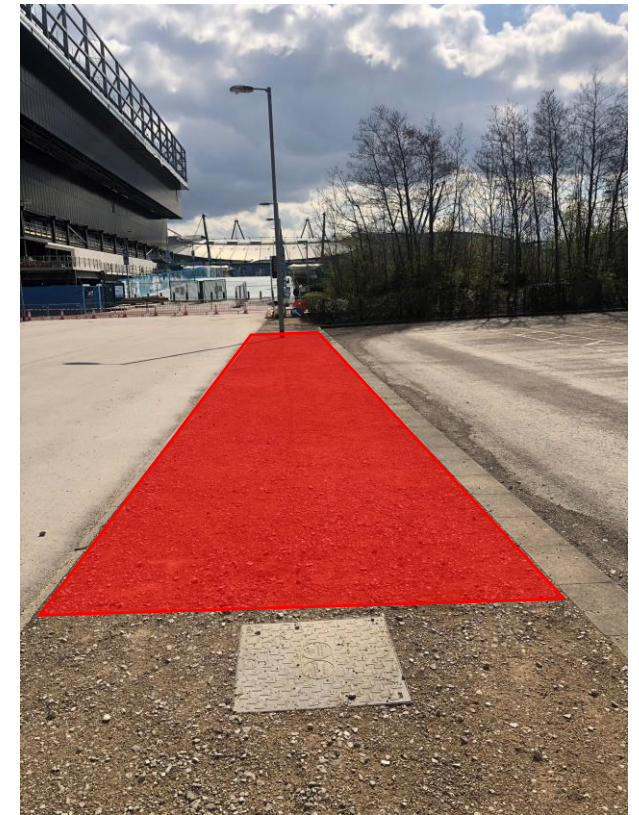

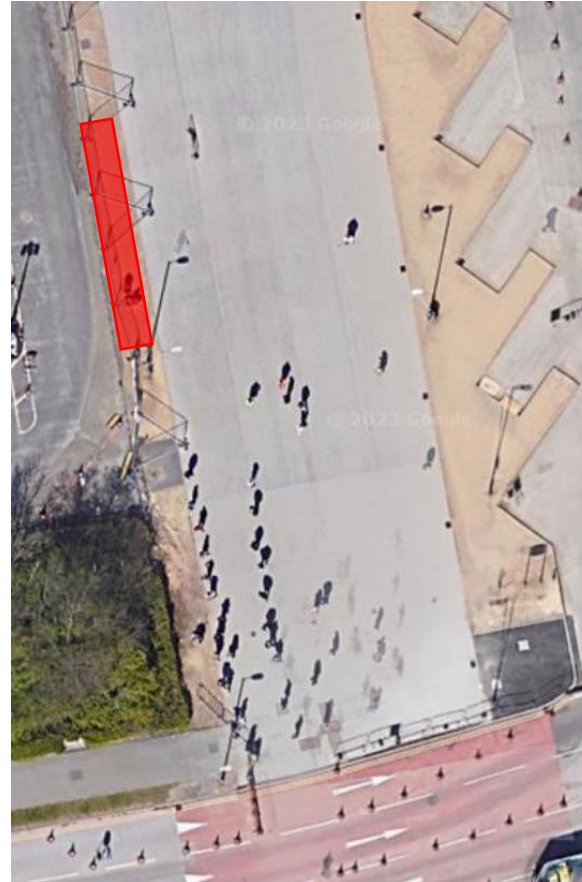

Prior to the first use of the arena hereby approved, details of the location and specification of 240 covered cycle spaces within the Etihad Campus shall be submitted for approval in writing by the City Council, as Local Planning Authority. The approved details shall be implemented prior to the first use of the arena and thereafter retained and maintained in situ for as long as the development remains in use.

Location 1

- Left hand side of Joe Mercer Way extension footpath on the edge of Blue car park (H)
- (What3words: tune.free.improving)
- Space for 100 cycles

Cycle storage location 1

Location 1

- Camera 6 of the Etihad campus estate covers the cycle storage

Cycle storage
location 1

Location 1

- Turvec two-tier cycle stands with additional safety locking arm. Stored under Cubic Open shelter with sedum roof.
- Sedum roof does not require built in irrigation but in extreme drought (no rain in >4 weeks) irrigation is recommended and will be carried out by estate maintenance team
