Thanks for your query. In order to install a blade sign on site you will have to apply to Council for advertisement consent. You can submit an application for the sign via the planning portal here: Applications - Applications - Planning Portal

The application will need to include a location plan of the site, scaled plans of the proposed sign and existing and proposed plans of the building it would be attached to (I.e. what the building looks like now and what it would look like with the sign attached).

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
