

Date: 16 April 2023

QUOTATION TO:- Ian Finlay and Brian McGuinness, Lidgate Grove Residents.

Description of Works:-

Crossway.

1. Sycamore – tree in good health stretching too wide for tree location, requires crown lift to road regulations, crown thin 15% for light, 1 metre tip back around the circumference of the crown to bring the tree away from the property- £420
2. Cherry – tree in good health, crown very dense stretching too wide for tree location, requires crown lift to road regulations, crown thin 15% for light, 1 metre tip back around the circumference of the crown to bring the tree away from the property -£370

Evans Close.

1. House number 10 – Horse Chestnut: tree in good health, requires maintenance work to reduce sail effect, crown thin 15%, crown lift to 6metres, removal of deadwood. £450
2. House number 16- Horse Chestnut: tree looks to be in fair health but will need to climb and assess a cavity at around 4 metres, requires maintenance work to reduce sail effect, crown thin 15%, crown lift to 6 metres, removal of deadwood as a bare minimum. £450

3. House number 18- Horse Chestnut: Very poor form, would recommend felling the tree and replanting, bad previous works to the tree leaving the balance of the crown very biased towards the properties on Evans Close
£1120 down to ground level.
£1460 fell and grind stump.
4. House number 17- Horse Chestnut: Very poor form, would recommend felling the tree and replanting. No canopy to the tree, epicormic growth all over the main stem.
£980 down to ground level
£1320 fell and grind stump.
5. House number 15 – Horse Chestnut: tree in good health, requires maintenance work to reduce sail effect, crown thin 15%, crown lift to 6 metres, removal of deadwood.
£850
6. House number 11 - Horse Chestnut: tree in good health, requires maintenance work to reduce sail effect, crown thin 15%, crown lift to 6 metres, removal of deadwood.
£700

Number 3 Springdale Gardens

7. Horse Chestnut: tree in good health, requires maintenance work to reduce sail effect, crown thin 15%, crown lift to 6metres, removal of deadwood.
£750
8. Lime: tree in good health, requires maintenance work to reduce sail effect, crown thin 20%, crown lift to 6metres, removal of deadwood.
£500

All prices are plus vat and include removal of all waste.

Kind regards
