John,

Tatton Court Egerton Road Manchester M14 6XH - 136678/TPO/2023

The applicant has proposed to carry out the following pruning work:

- *T1-Ash. remove major deadwood*
- *T9-Willow. reduce away from building by 2m and deadwood*
- *G1- Laurel. Reduce by 3-4m to create hedge, situated very close to neighbouring properties*
- *G2-4ash, 1poplar. Remove due to being very close to wall and leaning heavily over to the neighbouring property*
- *G3-Lawson Cypress. Reduce to previous height approx 8-10m and maintain at that height*

We would have no objection to the pruning work, and I can confirm that we would have no objection to the proposed G2 removals as these trees are low quality self-set specimens in close proximity to the wall. The trees have limited amenity value.

Kind regards
