

Appendix B AMP01 – Pre- work Survey and Existing Asset Condition

Unique Document reference of this form :	MMLK-TGM-ASL-04-CT-Z-PMN-0004
Project: Etihad Campus Site Improvement Works (Temporary)	

1. LOCATION							
Site Name		Etihad Campus Stop – Slope Area Only					
Site Extent (chainage or OHLE Structure numbers)		From		To			
Inbound Line		N/A					
Outbound Line		N/A					
2. EXISTING ASSET CONDITION (Maintainer to provide from their records)							
	Permanent Way	TMS & Signalling	OHLE & Traction Power	Civils (infrastructure)	Telecoms	LV	Other (Specify)
Any known defects	Y / N	Y / N	Y / N	Y / N	Y / N	Y / N	Y / N
Any known hazards	Y / N	Y / N	Y / N	Y / N	Y / N	Y / N	Y / N
Details of known defects identified above		No defects present. Area is currently unused and not accessible to the public.					
Details of known hazards identified above		Slope area is steep towards the bottom and presents a hazard. This has been taken into account in RAMS.					
'Reduced' Passing and Structural Clearances		N/A					
Known environmental constraints		N/A					
Existing Emergency or temporary speed restrictions		N/A					
Other		Area to be kept fully secure at all times during construction.					
3. SPECIFIC METROLINK ACCESS AND OTHER REQUIREMENTS							

Metrolink maintenance vehicles require 24/7 access to the corralling area and stop and can't be impeded by the slope work.

AMP01 - Pre- work Survey and Existing Asset Condition

4. SITE OBSERVATIONS – DILAPIDATION SURVEY	
Permanent Way	N/A
TMS & Signalling	N/A
OHLE & Traction Power	N/A
Civils (infrastructure)	 
Telecoms	N/A
LV	N/A
Other (specify)	N/A
Hazards	N/A
Photographs Taken	YES/NO and reference(s) All photos can be found in section 4.
5. ACTIONS BY MAINTAINER PRIOR TO PROJECT WORKS	

N/A.

6. EXISTING ASSET AGREED BY THE UNDERSIGNED

Declaration	Organisation name	Signature and name	Date
• I acknowledge receipt of information provided in Sections 2 and 3 • I certify that information provided in Section 4 represents a true and accurate record of the site observations carried out	Contractor	Conor Keating	29 th September 2023
		Conor Keating	
• I certify that the information provided in Sections 2 and 3 represents a current and accurate record of asset condition as of the date hereof to the best my knowledge • I certify that information provided in Section 4 represents a true and accurate record of the site observations carried out • I accept the Actions required in Section 5	Maintainer		29 th September 2023
		Jawad Yousafzai	
• I accept the information provided in Sections 1 to 4 • I have agreed the actions, scheduled in Section 5	TfGM		29 th September 2023
		Sophie Rothwell
