

Bee Poles - serves as an ideal sanctuary for solitary bees, fostering biodiversity and aiding in the preservation of these crucial pollinators. Max 2m high, cedar or oak material.

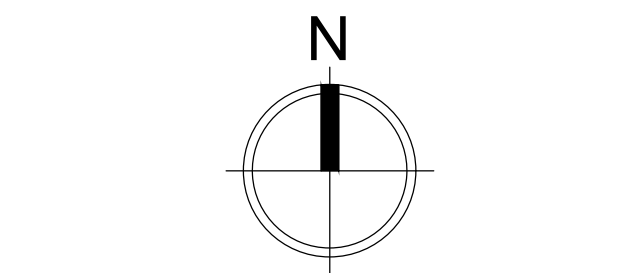

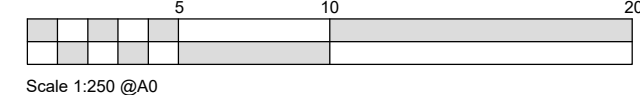

Eco Tower - The innovative double-sided design caters to both birds and pollinators, offering an ideal habitat for numerous garden species. With various levels of nesting compartments, it provides cozy and safe nesting spots for beneficial insects and birds alike, constructed from responsibly sourced, English-grown timber.

Habitat Letters - Standing 150cm tall and 15cm deep, crafted from sustainably sourced, English-grown cedar, these letters are a unique and eye-catching outdoor seating space for beneficial insects such as beetles and bees, bringing an elegant touch of natural aesthetics and biodiversity to the outdoor space.

KEY

- Ecological habitat furniture A
Bee Post as supplied by Green Earth Habitats or similar approved
- Ecological habitat furniture B
Eco Tower Bug Hotel as supplied by Green Earth Habitats or similar approved
- Ecological habitat furniture C
