Growth & Development

Delegated officer report for planning application

Application no. 138100/JO/2023

Date registered valid: 19 September 2023

Proposal: Variation of condition 2 (specified plans) attached to planning permission referenced 135278/FO/2022 to allow the inclusion of additional plant equipment on the rooftops

Address: St Gabriel's Hall, 1 Oxford Place, Manchester, M14 5RP

Ward(s): Ardwick Ward

Applicant: McLaren Property Limited

Agent (if any): Mr Neil Lucas, AshtonHale

Case officer: Steven McCoombe
Tel: 0161 234 4607
Email: steven.mccoombe@manchester.gov.uk

Recommendation: Approve

Date of recommendation: 13 November 2023

Application details

Type of application: Variation or Removal of Condition

Development type: Major Other

Date of site visit: 13 October 2023

Departure from Development Plan: No

Environmental Statement: Not required

Description of site/building

The application relates to a vacant student hall of residence (St. Gabriel's Hall).

The site measures approximately 0.65 hectares and relates to a former student hall of residence associated with the University of Manchester. It is located in the Victoria Park Conservation Area and Oxford Road Corridor, south. None of the buildings are statutorily listed.

St Gabriel's Hall is a large building formed of three main phases; the original c1850s villa called "The Lodge" to the centre, a 1922 residential accommodation block to the east, and a 1963 chapel to the west.

The area is mixed use in nature, comprising homes, with a concentration of student accommodation, retail, office, and educational uses. Rusholme district centre, a busy neighbourhood centre with a primary focus on food and drink uses, is to the west.

Listed building: Not applicable

Conservation area: Victoria Park Conservation Area 1972

Tree Preservation Order: No

Description of area

The area is mixed use in nature, comprising homes, with a concentration of student accommodation, retail, office, and educational uses. Rusholme district centre, a busy neighbourhood centre with a primary focus on food and drink uses, is to the west. The site is situated within Victoria Park Conservation Area.

Description of development

Planning permission is sought for the variation of condition 2 (specified plans) attached to planning permission referenced 135278/FO/2022 which allowed for some demolition and the erection of part 4 storey, part 5 storey buildings and the refurbishment and restoration of existing buildings to form student accommodation (sui generis), with associated landscaping, cycle parking, car parking and associated works.

In this case, pursuant to S.73 of the Town and Country Planning Act 1990, alterations are proposed to approved development to allow the inclusion of new plant equipment on the roofs of the two new build elements of the scheme. Namely:

- 2 no. DX condensers located on the 4th floor roof of Building 03
- 2 no. DX condensers located on the 4th floor roof of Building 04;
- 1 no. smoke extract fan located on the 3rd floor roof;
- 1 no. smoke extract fan located on the 4th floor roof of Building 03 only;
- 1 no. natural smoke extract shaft located on the 3rd floor roof; and
- 1 no. natural smoke extract shaft located on the 4th floor roof of Building 03 only.

Consultations & Notification Responses

Local Residents/Occupiers – 2 letters of objection have been received from neighbouring occupiers. Comments are summarised below:

-There are concerns regarding the noise levels and that the impact to the surrounding area. There is already a considerable noise pollution coming from construction works being undertaken on Hathersage Road. If both works are being undertaken at the same time, there will be two construction sites adjacent to each other. It is not considered that the submitted documents fully take this into account.

-The application seems inadequate in providing sufficient information to support the notion that there will not be any noise impact on the surrounding area.

-The information given in the application is vague and does not allow one to make a definitive conclusion as to their appearance. It is clear however is that any added roof plants will increase the height of the proposed development and therefore likely to have a negative visual impact on the development, which itself will have a further detrimental effect on the character of the local area.

-There is no clear explanation in the application as to why these roof plants need to be added now and why they were not part of the initial application.

Environmental Health – No objection. The applicant must ensure that noise from all external plant does not exceed the limits set out in the submitted acoustic reports. A schedule of testing the backup generator should be submitted, in writing, and agreed with Environmental Health before first use commences.

Policy

Local Development Framework

The principal document within the framework is the Manchester Core Strategy which sets out the spatial vision for the City and includes strategic policies for development during the period 2012 – 2027.

'The Core Strategy Development Plan Document 2012 -2027 ("the Core Strategy") was adopted by the City Council on 11th July 2012. It is the key document in Manchester's Local Development Framework. The Core Strategy replaces significant elements of the Unitary Development Plan (UDP) as the document that sets out the long term strategic planning policies for Manchester's future development.

A number of UDP policies have also been saved until replaced by further development plan documents to accompany the Core Strategy. Planning applications in Manchester must therefore be decided in accordance with the Core Strategy, saved UDP policies and other Local Development Documents.'

The following policies within the Core Strategy are considered relevant:

Policy SP1 (Spatial Principle) refers to the key spatial principles which will guide the strategic development of Manchester together with core development principles. It is stated that developments in all parts of the city should create well designed places which enhance or create character, make a positive contribution to the health, safety and well-being of residents, consider the needs of all members of the community and protect and enhance the built environment. Further, development should seek to minimise emissions, ensure the efficient use of natural resources, reuse previously developed land wherever possible, improve access to jobs, services and open space and provide good access to sustainable transport provision.

Policy DM1 (Development Management) states that new development should have regard to more specific issues for which more detailed guidance may be given within supplementary planning documents. Issues include: the appropriate siting and appearance of development, the impact upon the surrounding area, the effects on amenity, accessibility, community safety and crime prevention, health, the adequacy of internal accommodation and amenity space and refuse storage/collection.

Policy H12 (Purpose Built Student Accommodation) states that the provision of new purpose built student accommodation will be supported where the development satisfied the criteria below:

- 1. Sites should be in close proximity to the University campuses or to a high frequency public transport route;*
- 2. High density developments should be sited in locations where this is compatible with existing developments and initiatives, and where retail facilities are within walking distance. Proposals should not lead to an increase in on-street parking in the surrounding area;*
- 3. Proposals that can demonstrate a positive regeneration impact in their own right will be given preference over other schemes;*
- 4. Proposals should be designed to be safe and secure for their users, and avoid causing an increase in crime in the surrounding area;*
- 5. Consideration should be given to the design and layout of the student accommodation and siting of individual uses within the overall development in relation to adjacent neighbouring uses. The aim is to ensure that there is no unacceptable effect on residential amenity in the surrounding area;*
- 6. Where appropriate proposals should contribute to the re-use of Listed Buildings and other buildings with a particular heritage value;*
- 7. Consideration should be given to provision and management of waste disposal facilities;*

8. Developers will be required to demonstrate that there is a need for additional student accommodation or that they have entered into a formal agreement with a University, or another provider of higher education, for the supply of all or some of the bedspaces; and,

9. Applicants/developers must demonstrate to the Council that their proposals for purpose built student accommodation are deliverable.

Policy EC1 (Employment and Economic Growth in Manchester) looks to ensure priorities for economic growth, the Council will support significant contributors to economic growth and productivity including health, education, retailing, cultural and tourism facilities, and other employment generating uses.

Policy T2 (Accessible Areas of Opportunity and Need) states that the Council will actively manage the pattern of development to ensure that new development: is located to ensure good access to the City's main economic drivers, including the Regional Centre, the Oxford Road Universities and Hospitals and the Airport and to ensure good national and international connections. Is easily accessible by walking, cycling and public transport; connecting residents to jobs, centres, health, leisure, open space and educational opportunities. Priority will be given to providing all residents access to strategic employment sites.

Policy EN1 'Design principles and strategic character areas' The proposal's considered to be a high-quality scheme in terms of its design and appearance that would enhance the regeneration of the area.

Policy EN3 (Heritage) – states that the Council will encourage development that complements and takes advantage of the distinct historic and heritage features of its districts and neighbourhoods, including those of the City Centre. New developments must be designed so as to support the Council in preserving or, where possible, enhancing the historic environment, the character, setting and accessibility of areas and buildings of acknowledged importance, including scheduled ancient monuments, listed buildings, registered parks and gardens, conservation areas and archaeological remains.

Policy EN4 (Reducing CO₂ Emissions by Enabling Low and Zero Carbon Development) concerns reducing CO₂ emissions and states that where possible, new development and retrofit projects must be located and designed in a manner that allows advantage to be taken of opportunities for low and zero carbon energy supplies. The use of building materials with low embodied carbon in new development and refurbishment schemes is also sought.

Policy EN9 (Green Infrastructure) - New development will be expected to maintain existing green infrastructure in terms of its quantity, quality and multiple function. Where the opportunity arises and in with current Green Infrastructure Strategies the Council will encourage developers to enhance the quality and quantity of green infrastructure, improve the performance of its functions and create and improve linkages to and between areas of green infrastructure. Where the benefits of a proposed development are considered to outweigh the loss of an existing element of green infrastructure, the developer will be required to demonstrate how this loss will be mitigated in terms of quantity, quality, function and future management.

Policy EN14 (Flood Risk) – refers to flood risk and amongst other issues states that all new development should minimise surface water run-off, including through Sustainable Drainage Systems (SUDS) and the appropriate use of green infrastructure.

Policy EN16 (Air Quality) – states that the Council will seek to improve the air quality within Manchester, and particularly within Air Quality Management Areas, located along Manchester's

principal traffic routes. Developers will be expected to take measures to minimise and mitigate the local impact of emissions from traffic generated by the development, as well as emissions created by the use of the development itself.

Policy EN17 (Water Quality) states that developments should minimise surface water run-off and minimise ground contamination into the watercourse construction.

Policy EN18 (Contaminated Land and Ground Stability) - The Council will give priority for the remediation of contaminated land to strategic locations as identified within this document. Any proposal for development of contaminated land must be accompanied by a health risk assessment.

Policy EN19 (Waste) states that the Council will require all developers to demonstrate the proposals consistency with the principles of the waste hierarchy (prevention, reduction, re-use, recycling, energy recovery, and disposal). Developers will be required to submit a waste management plan to demonstrate how construction and demolition waste will be minimised and recycled.

In addition to the above, a number of UDP policies have also been saved until replaced by further development plan documents to accompany the Core Strategy.

Unitary Development Plan for the City of Manchester, 1995 (Saved Policies)

The below saved policies of the Unitary Development Plan are also considered relevant:

Policy DC18.1 (Conservation Areas) – relates to development proposals within conservation areas and seeks to preserve and enhance the character of its Conservation Areas by considering the relationship of new structures to neighbouring buildings and spaces, the effect of changes to existing buildings and the desirability of retaining existing features. Consent to demolish a building within a Conservation Area will be granted only where it can be shown that is beyond repair, incapable of beneficial use or where its replacement would benefit the appearance or character of the area.

Policy DC26 (Noise) states that the Council intends to use the development control process to reduce the impact of noise on people living and working in the City. In particular, consideration will be given to the effect of new development proposals which are likely to be generators of noise.

The Guide to Development in Manchester (SPD) (2007)

The Guide to Development in Manchester is a supplementary planning document which contains core principles to guide developers. The document offers design advice and sets out the City Council's aspirations and vision for future development and contains core principles to guide developers to produce high quality and inclusive design. The principles that development should seek to achieve, include, character and context, continuity, and enclosure, ease of movement, quality of the public realm, diversity, legibility and adaptability.

Corridor Manchester Spatial Framework

Corridor Manchester is a strategically important economic contributor and a key growth area within the city. The Corridor Manchester Strategic Spatial Framework is a long term spatial plan for the Corridor which recognises that there is an inadequate pipeline of space for businesses and institutions within the Corridor to properly grow and realise its potential.

The Framework seeks to strengthen the Corridor as a place to live, visit and work for students and knowledge workers from across the world. The strategy recognises that for the area to continue to be successful there needs to be a focus on the development of a cohesive, inclusive area. The development programme plans to deliver over 4 million sq ft of high quality commercial, leisure, retail, and residential space.

Oxford Road Corridor SSF (March 2018)

The Framework intends to support the strategic themes and objectives for the Corridor and guide decision making on planning applications. The Framework recognises the need to accommodate further student accommodation; however, states that this should continue to be controlled in line with the City Council's Core Strategy Policy H12 and led by institutional partners with the wider city regeneration objectives in mind. It should be in line with evidenced demand and be in locations that are within a reasonable walking distance to the heart of the universities. This will include an upgrade of existing stock that is reaching the end of its life as well as additional provision.

Places for Everyone Greater Manchester Joint Development Plan (Draft August 2021)

The draft version of the Places for Everyone Joint Development Plan was published in August 2021 and has been produced by Greater Manchester Combined Authority to provide a long-term plan for jobs, new homes, and sustainable growth for nine of Greater Manchester's districts. Once the Places for Everyone Plan is adopted it will form part of Manchester's development plan. As this plan is at an advanced stage it would now be considered as a material consideration for planning applications.

Manchester City Council Report for Resolution - Executive: Purpose Built Student Accommodation Manchester (December 2020)

This report acknowledges the significant economic contribution students make to Manchester whilst they live and study in the city. It also recognises the development of assets within the Oxford Road Corridor area is vital to capture the commercial potential of research and innovation and help to realise the economic potential of the Corridor.

The report states, a high-quality residential offer for students in appropriate locations, is critical for Manchester's Universities ability to attract and retain students in a global market and confirms that accommodation should be located in the areas immediately adjacent to the core university areas, principally the Oxford Road Corridor area.

National Planning Policy Framework

The central theme to the revised NPPF is to achieve sustainable development. The Government states that there are three dimensions to sustainable development: an economic role, a social role and an environmental role.

The Framework underlines a "presumption in favour of sustainable development". This means approving development, without delay, where it accords with the development plan and where the development is absent or relevant policies are out-of-date, to grant planning permission unless any adverse impacts of doing so would significantly and demonstrably outweigh the benefits when assessed against the NPPF.

Sections 4, 5, 11, 12 and 16 are considered relevant to the consideration of this application.

Other legislative requirements

-Section 72 of the Planning (Listed Building and Conservation Areas) Act 1990 (the "Listed Building Act") provides

Issues

Principle

The general principle of the proposed development has previously been established by the host planning permission. The issues for consideration in this instance relate solely to the impact of the proposed plant equipment. Principally, the impact to residential and visual amenity and the associated impact to the character of the Victoria Park Conservation area.

In this instance, it is considered that the overall proposal would make efficient use of a previously developed site for an established use and would make efficient use of existing vacant buildings and non-listed heritage assets in a sensitive manner. Together with satisfying a demonstrable demand for additional student accommodation, it is considered that the proposed change to the appearance of the structures and resultant noise impact can be sustained in this location and any perceived harm is outweighed by the significant economic, social and environmental benefits that the proposal would deliver.

On this basis, the proposal change is considered minor and would still accord with all relevant policy and guidance and would not alter the conclusions of previously considered technical assessments. There have been no changes to the development plan or other material planning considerations since the granting of the host permission. Specific issues are outlined further below.

Residential Amenity

Noise and disturbance

Development plan policy requires that new proposals do not give rise to negative impacts on amenity and specifically in this case, as a consequence of noise generation.

The application has been accompanied by a Noise Impact Assessment which considers the impact of the proposed roof top plant equipment.

Condition 29 of the host planning permission requires that the plant noise rating be is 5 dB below the representative background sound level at the noise sensitive receptors.

Figures provided for the proposed equipment indicate that noise levels from the DX condensers would be comfortably below this limit at all existing receptors, including Melrose apartments to the north and the student accommodation to the west and south, along with noise sensitive residential facades within the St Gabriels development itself.

Environmental Health have reviewed the submitted assessment and consider that provided that the noise limits set out within condition 29 are adhered to, the noise level from the proposed plant would not give rise to unacceptable noise impacts. On this basis, the impact to the neighbouring residential occupiers resulting from noise emanating from the equipment is considered satisfactory.

Visual Amenity and Heritage Impact

The impact of the host development in terms of the impact upon the character and appearance of the conservation area and to visual amenity has been previously considered as being acceptable.

In this case, it is only relevant to consider the impact of the rooftop equipment in terms of visual amenity and because of the location of the site within Victorria Park Conservation Area, the impact to the character and appearance of this heritage asset.

Section 72 of the Planning (Listed Building and Conservation Areas) Act 1990 requires Local Planning Authorities to pay special attention to the desirability of preserving or enhancing the character and appearance of designated areas. This is supported by policies EN3 and DC18.1 of the Core Strategy, along with Section 16 of the NPPF, which underline the need for due consideration to be given to the impact of new developments on heritage assets.

Paragraph 194 of the NPPF states that:

'In determining applications local planning authorities should require an applicant to describe the significance of any heritage assets affected, including any contribution made by their setting. The level of detail should be proportionate to the assets' importance and no more than is sufficient to understand the potential impact of the proposal on their significance'.

Paragraph 197 states: *'in determining applications, local planning authorities should take account of:*

- a) the desirability of sustaining and enhancing the significance of heritage assets and putting them to viable uses consistent with their conservation;*
- b) the positive contribution that conservation of heritage assets can make to sustainable communities including their economic vitality; and*
- c) the desirability of new development making a positive contribution to local character and distinctiveness'.*

Paragraph 202 advises that:

'Where a development proposal will lead to less than substantial harm to the significance of designated heritage asset, this harm should be weighed against the public benefits of the proposal, including where appropriate, securing its optimum viable use'

Paragraph 203 states that proposal should consider:

'The effect of an application on the significance of a non-designated heritage asset should be taken into account in determining the application. In weighing applications that directly or indirectly affect non-designated heritage assets, a balanced judgement will be required having regard to the scale of any harm or loss and the significance of the heritage assets'.

Paragraph 206 further states:

'Local planning authorities should look for opportunities for new development within Conservation Areas and World Heritage Sites, and within the setting of heritage assets, to enhance or better reveal their significance. Proposals that preserve those elements of the setting that make a positive contribution to the asset (or which better reveal its significance) should be treated favourably'.

The application has been accompanied by a Key View Study. This includes visual analysis of a number of views from Oxford Place, used as part of the original planning application to assess the impact of the proposed development on the street scene and from the conservation area.

The analysis suggests that given the position and height of the equipment above eyeline level, the surrounding context and density and screening afforded by trees along the Oxford Place perimeter, the proposed roof plant would fade into the background and have a negligible impact both upon the appearance of the application building and the wider conservation area.

In light of the above, the impact to both visual amenity and heritage is considered satisfactory and consistent with aforementioned development policy and guidance. Any harm would be less than substantial and would be outweighed by the public benefits that the proposed would deliver in terms of job creation, the regeneration of an untidy site, spending in the local area and the provision of much needed, additional student accommodation in the city.

Other Legislative Requirements

Equality Act 2010

Section 149 (Public Sector Equality Duty) of the Equality Act 2010 requires due regard to the need to: Eliminate unlawful discrimination, harassment and victimisation and other conduct prohibited by the Act and; Advance equality of opportunity between persons who share a protected characteristic and persons who do not share it. The Equality Duty does not impose a legal requirement to conduct an Equality Impact Assessment. Compliance with the Equality Duty involves consciously thinking about the aims of the Equality Duty as part of the process of decision-making.

Human Rights Act 1998 considerations

This application needs to be considered against the provisions of the Human Rights Act 1998. Under Article 6, the applicants (and those third parties, including local residents, who have made representations) have a right to a fair hearing and to this end the local planning authority must give full consideration to their comments.

Protocol 1 Article 1, and Article 8 where appropriate, confer(s) a right of respect for a person's home, other land and business assets. In taking account of all material considerations, including Council policy as set out in the Core Strategy and saved policies of the Unitary Development Plan, the Director of Planning, Building Control & Licensing has concluded that some rights conferred by these articles on the applicant(s)/objector(s)/resident(s) and other occupiers and owners of nearby land that might be affected may be interfered with but that that interference is in accordance with the law and justified by being in the public interest and on the basis of the planning merits of the development proposal. She believes that any restriction on these rights posed by the recommendation given is proportionate to the wider benefits of and that such a decision falls within the margin of discretion afforded to the Council under the Town and Country Planning Acts.

Recommendation: Approve

Article 35 Declaration

Officers have worked with the applicant / agent in a positive and proactive manner to guide the application through all stages of the planning process and resolve any issues that arose in dealing with the planning application.

Condition(s) to be attached to decision for approval OR Reasons for recommendation to refuse

1) The development must be begun not later than 17 March 2026.

Reason - Required to be imposed pursuant to Section 91 of the Town and Country Planning Act 1990.

2) The development hereby approved shall be carried out in accordance with the following drawings and documents:

Drawings referenced on the submitted schedule : (Ref: 10349-SHP-Z0-A-B5D8-Z330-SC-XX-00/P01) received by the City Council as Local Planning Authority on 10 November 2023;

Drawings referenced 0919-RFMXX-00-DR-L-0001 Rev P04 received by the City Council, as Local Planning Authority on 1 March 2023;

Drawings referenced 0919-RFM-XX-00-DR-L-0001-S2-P03, 0919-RFM-XX-00-DR-L-0003-S2-P03, 0919-RFM-XX-00-DR-L-0004-S2-P01 and 0919-RFM-XX-00-DR-L-0005-S2-P01 received by the City Council as Local Planning Authority on 25 October 2022.

Reason - To ensure that the development is carried out in accordance with the approved plans, pursuant to policies SP1 and DM1 of the Manchester Core Strategy.

3) Prior to the commencement of above ground development, all materials to be used on all external elevations of the development shall be submitted for approval in writing by the City Council, as Local Planning Authority. This shall include the submission of samples (including a panel) and specifications of all materials to be used on all external elevations of the development along with jointing and fixing details, vents, details of the drips to be used to prevent staining in, ventilation and a strategy for quality control management.

The approved materials shall then be implemented as part of the development.

Reason - To ensure that the appearance of the development is acceptable to the City Council as Local Planning Authority, in the interests of the visual amenity of the area within which the site is located, pursuant to policies SP1 and DM1 of the Manchester Core Strategy.

4) a) The development hereby approved shall only be implemented in accordance with the details contained within the submitted Demolition Management Plan (July 2023 - Rev 2), received by the City Council as Local Planning Authority on 29 August 2023, as agreed as part of discharge of condition application referenced CDN/23/0511.

b) Prior to the commencement of development (excluding demolition), a Construction Management Plan outlining working practices during development shall be submitted to and approved in writing to the City Council as Local Planning Authority.

For the avoidance of doubt, the Construction Management Plan should include:

- Measures to control noise and vibrations;
- Dust suppression measures;
- Compound locations where relevant;
- Location, removal and recycling of waste;
- Detail of an emergency contact telephone number;
- Parking of construction vehicles; and

-Sheeting over of construction vehicles.

The development shall only be carried out in accordance with the approved Construction Management Plan.

Manchester City Council encourages all contractors to be 'considerate contractors' when working in the city by being aware of the needs of neighbours and the environment. Membership of the Considerate Constructors Scheme is highly recommended.

5) The planning permission hereby approved shall only be implemented in accordance with the details contained within the letter from McClaren dated 15 August 2023, together with those within the submitted Demolition Management Plan (July 2023 - Rev 2), received by the City Council as Local Planning Authority on 29 August 2023 - as agreed as part of discharge of condition application referenced CDN/23/0578.

Reason - To prevent unnecessary demolition and to ensure redevelopment take place following demolition of the existing building, pursuant to saved policy DC18.1 of the Unitary Development Plan for the City of Manchester and policies EN3 and SP1 of the Manchester Core Strategy.

6) The development hereby approved shall be carried out in accordance with details contained with the Energy Standards Statement received by the City Council as Local Planning Authority on 25 October 2022, A post construction review certificate/statement shall be submitted for approval prior to first occupation of the development hereby approved.

Reason - In order to minimise the environmental impact of the development pursuant to policies SP1, T1-T3, EN4-EN7 and DM1 of the Manchester Core Strategy and the principles contained within The Guide to Development in Manchester SPD (2007) and the National Planning Policy Framework.

7) The new buildings hereby approved shall achieve a post-construction Building Research Establishment Environmental Assessment Method (BREEAM) rating of at least a 'very good' rating. Post construction review certificate(s) shall be submitted to and approved in writing by the City Council as Local Planning Authority, before any of the new buildings hereby approved are first occupied.

Reason - In order to minimise the environmental impact of the development, pursuant to policies SP1, T1-T3, EN4-EN7 and DM1 of the Manchester Core Strategy, , and the principles contained within The Guide to Development in Manchester SPD (2007), and the National Planning Policy Framework.

8) The development hereby approved shall only be implemented in accordance with the details contained within the submitted Archaeological Evaluation Report (Ref: SA/2023/51), received by the City Council as Local Planning Authority on 21 September 2023, agreed as part of discharge of condition application referenced CDN/23/0634.

Reason - To record and advance understanding of the significance of any heritage assets to be lost (wholly or in part) and to make this evidence (and any archive generated) publicly accessible pursuant to policy EN3 of the Manchester Core Strategy and saved policy DC20 of the Unitary Development Plan for the City of Manchester (1995) and the National Planning Policy Framework.

9) Notwithstanding details submitted, the development hereby approved shall not be occupied until a more detailed scheme for the storage (including segregated waste recycling) and disposal of refuse has been submitted to and approved in writing by the City Council as Local

Planning Authority. The details of the approved scheme shall be implemented as part of the development and shall remain in situ whilst the use or development is in operation.

Reason - In the interests of public health and residential amenity, pursuant to policies DM1 and SP1 of the Manchester Core Strategy.

10) The development hereby approved shall be implemented in accordance with the submitted Phase I Preliminary Risk Assessment prepared by RSK Geosciences, dated February 2022 (Ref: 11671 RO1 (01), received by the City Council as Local Planning Authority on 25 October 2022. The Preliminary Risk Assessment shall conform to City Council's current guidance document (Planning Guidance in Relation to Ground Contamination).

In the event of the Preliminary Risk Assessment identifying risks which in the written opinion of the Local Planning Authority require further investigation, the development shall not commence until a scheme for the investigation of the site and the identification of remediation measures (the Site Investigation Proposal) has been submitted to and approved in writing by the City Council as local planning authority.

The measures for investigating the site identified in the Site Investigation Proposal shall be carried out, before the development commences and a report prepared outlining what measures, if any, are required to remediate the land (the Site Investigation Report and/or Remediation Strategy) which shall be submitted to and approved in writing by the City Council as local planning authority.

Reason - To ensure that the presence of or the potential for any contaminated land and/or groundwater is detected and appropriate remedial action is taken in the interests of public safety, pursuant to policies DM1 and EN18 of the Manchester Core Strategy.

Reason - To ensure that the presence of or the potential for any contaminated land and/or groundwater is detected and appropriate remedial action is taken in the interests of public safety, pursuant to policies DM1 and EN18 of the Manchester Core Strategy.

11) When the development commences, the development shall be carried out in accordance with a previously agreed Remediation Strategy and a Completion/Verification Report shall be submitted to and approved in writing by the City Council as local planning authority. No occupation of the development shall take place until the completion/verification report is submitted to and approved by the City Council as local planning authority.

In the event that ground contamination, groundwater contamination and/or ground gas, not previously identified, are found to be present on the site at any time before the development is occupied, then development shall cease and/or the development shall not be occupied until, a report outlining what measures, if any, are required to remediate the land (the Revised Remediation Strategy) is submitted to and approved in writing by the City Council as local planning authority and the development shall be carried out in accordance with the Revised Remediation Strategy, which shall take precedence over any Remediation Strategy or earlier Revised Remediation Strategy.

Reason - To ensure that the presence of or the potential for any contaminated land and/or groundwater is detected and appropriate remedial action is taken in the interests of public safety, pursuant to policies DM1 and SP1 of the Manchester Core Strategy.

12) The development hereby approved shall only be implemented in accordance with the physical security specifications outlined within sections 3 and 4 of the submitted Crime Impact Statement (Ref:2022/0179/CIS/01 - version A) dated 9 June 2022, received by the City Council as Local Planning Authority on 25 October 2022.

Reason - To reduce the risk of crime pursuant to policies SP1 and DM1 of the Manchester Core Strategy and to reflect the guidance contained in the National Planning Policy Framework.

13) Notwithstanding details submitted, prior to commencement of development (excluding demolition) a scheme for surface water drainage works in accordance with Non-Statutory Technical Standards for Sustainable Drainage Systems (March 2015) or any subsequent replacements national standards and details shall be submitted to and approved in writing by the City Council as Local Planning Authority. The approved drainage system shall be implemented in accordance with the approved detailed design, prior to the use of the building commencing.

In order to avoid/discharge the above drainage condition the following additional information has to be provided:

- A finalised drainage layout showing all components, outfalls, levels and connectivity , including connectivity to the public sewer and compliance with easements where applicable;

- Hydraulic calculation of the proposed drainage system consistent with the finalised drainage layout; including evidence that the drainage system has been designed (unless an area is designated to hold and/or convey water as part of the design) so that flooding does not occur during a 1 in 100 year rainfall event with allowance for 45% climate change in any part of a building;

- Assessment of overland flow routes for extreme events that is diverted away from buildings (including basements). Overland flow routes need to be designed to convey the flood water in a safe manner in the event of a blockage or exceedance of the proposed drainage system capacity including inlet structures. A layout with overland flow routes needs to be presented with appreciation of these overland flow routes with regards to the properties on site and adjacent properties off site.

- Construction details of flow control and SuDS elements.

Reason - To promote sustainable development, secure proper drainage and to manage the risk of flooding and pollution, pursuant to policies EN8 and EN14 of the Manchester Core Strategy.

14) The development hereby approved shall not be occupied until details of the implementation, maintenance and management of a sustainable drainage scheme have been submitted to and approved by the Local Planning Authority. The scheme shall be implemented and thereafter managed and maintained in accordance with the approved details. Those details shall include:

- A verification report providing photographic evidence of construction as per design drawings;
- As built construction drawings if different from design construction drawings;
- Management and maintenance plan for the lifetime of the development which shall include the arrangements for adoption by any public body or statutory undertaker, or any other arrangements to secure the operation of the sustainable drainage scheme throughout its lifetime.

Reason - To prevent the increased risk of flooding, to improve and protect water quality and ensure future maintenance of the surface water drainage system, pursuant to policy EN17 of the Manchester Core Strategy.

15) (a) No retained tree shall be cut down, uprooted or destroyed, nor shall any retained tree be topped or lopped other than those identified with the submitted Arboricultural Impact

Assessment (Ref. 22/AIA/MAN/33) received by the City Council, as Local Planning Authority on 25 October 2022.

(b) The erection of fencing for the protection of any retained tree shall be undertaken in accordance with the approved plans and particulars before any equipment, machinery or materials are brought on to the site for the purposes of the development, and shall be maintained until all equipment, machinery and surplus materials have been removed from the site. Nothing shall be stored or placed in any area fenced in accordance with this condition and the ground levels within those areas shall not be altered, nor shall any excavation be made, without the written consent of the local planning authority.

Reason - In order avoid damage to trees/shrubs adjacent to and within the site which are of important amenity value to the area and in order to protect the character of the area, in accordance with policies EN9 and EN15 of the Manchester Core Strategy.

16) All tree work should be carried out by a competent contractor in accordance with British Standard BS 3998 "Recommendations for Tree Work".

Reason - In order avoid damage to trees/shrubs adjacent to and within the site which are of important amenity value to the area and in order to protect the character of the area, in accordance with policies EN9 and EN15 of the Manchester Core Strategy.

17) Prior to first occupation of the development hereby approved, a scheme for the enhancement of the site for biodiversity purposes shall be submitted to and agreed in writing by the City Council as Local Planning Authority. The agreed scheme shall be implemented in accordance with a timescale to be agreed and retained and maintained thereafter.

Reason -To mitigate the loss of vegetation and to promote bio-diversity, pursuant to policy EN15 of the Manchester Core Strategy and the National Planning Policy Framework (NPPF).

18) No demolition works or vegetation clearance shall take place during the optimum period for bird nesting (March - September inclusive) unless nesting birds have been shown to be absent, or, a method statement for the demolition including for the protection of any nesting birds is agreed in writing by the City Council, Local Planning Authority. Any method statement shall then be implemented for the duration of the demolition works.

Reason - In order to protect wildlife from works that may impact on their habitats pursuant to policy EN15 of the Manchester Core Strategy.

19) The development hereby approved shall only be implemented in accordance with the details contained within the submitted Reasonable Avoidance Measures Method Statement (Ref: RHE.3585.03), produced by Rachel Hacking, received by the City Council as Local Planning Authority on 24 July 2023, as agreed as part of discharge of condition application referenced CDN/23/0511.

Reason - To ensure the protection of habitat of species that are protected under the Wildlife and Countryside Act 1981 or as subsequently amended and to comply with policy EN15 of the Manchester Core Strategy.

20) Notwithstanding the details shown on drawing and documents referenced 0919-RFM-XX-00-DR-L-0001-S2 P03, 0919-RFM-XX-00-DR-L-0003-S2 P03, 0919-RFM-XX-00-DR-L-0004-S2 P01 and 0919-RFM-XX-00-DR-L-0005-S2 P01, no above ground development shall commence until a detailed hard and soft landscaping treatment scheme (including replacement tree planting) has been submitted to and approved in writing by the City Council as Local Planning

authority. The approved scheme shall be implemented not later than 12 months from the date the buildings are first occupied. If within a period of 5 years from the date of the planting of any tree or shrub, that tree or shrub or any tree or shrub planted in replacement for it, is removed, uprooted or destroyed or dies, or becomes, in the opinion of the local planning authority, seriously damaged or defective, another tree or shrub of the same species and size as that originally planted shall be planted at the same place.

Reason - To ensure that a satisfactory landscaping scheme for the development is carried out that respects the character and visual amenities of the area, in accordance with policies SP1, EN9 and DM1 of the Manchester Core Strategy.

21) The development hereby approved shall include a scheme for the illumination of external areas during the period between dusk and dawn. Prior to the first occupation of each phase (save for the enabling works phase), full details of such a scheme for that phase shall be submitted for approval in writing by the City Council, as Local Planning Authority. The approved scheme shall be implemented in full prior to the first occupation of each phase and shall remain in operation for so long as the development is occupied.

Reason - In the interests of amenity, crime reduction and the personal safety of those using and ensure that lighting is installed which is sensitive to the bat environment the proposed development in order to comply with the requirements of policies SP1 and DM1 of the Manchester Core Strategy.

22) If any lighting at the development hereby approved, when illuminated, causes glare or light spillage which in the opinion of the Council as local planning authority causes detriment to adjoining and nearby residential properties, within 14 days of a written request, a scheme for the elimination of such glare or light spillage shall be submitted to the Council as local planning authority and once approved shall thereafter be retained in accordance with details which have received prior written approval of the City Council as Local Planning Authority.

Reason - In order to minimise the impact of the illumination of the lights on the occupiers of nearby residential accommodation, pursuant to policies SP1 and DM1 of the Core Strategy.

23) Notwithstanding the details contained within the Framework Travel Plan submitted, a detailed Travel Plan shall be submitted to and agreed in writing by the City Council as Local Planning Authority prior to first occupancy of the units hereby approved. In this condition a Travel Plan means a document which includes:

- (1) The measures proposed to be taken to reduce dependency on the private car by those attending or employed in the development;
- (2) A commitment to surveying the travel patterns of staff and customers during the first three months of the development and thereafter from time to time;
- (3) Mechanisms for the implementation of the measures to reduce dependency on the private car; and
- (4) Measures for the delivery of specified travel plan services; and measures to monitor and review the effectiveness of the Travel Plan in achieving the objective of reducing dependency on the private car.

Within six months of the first use of the development, a revised Travel Plan which takes into account the information about travel patterns gathered pursuant to item (2) above shall be submitted to the City Council as local planning authority for approval. Any Travel Plan which has been approved by the City Council as local planning authority shall be implemented in full at all times when the development hereby approved is in use.

Reason - To reduce dependency on the car travel and to promote alternative means of transport, pursuant to policies DM1 and SP1 of the Manchester Core Strategy.

24) No part of the development hereby approved shall be occupied until the space and facilities for bicycle parking have been provided in accordance with the details shown on drawings referenced 10349-SHP-Z0-A-B5D8-G200-EL-XX-001-P01 received by the City Council as Local Planning Authority on 25 October 2022 and 10349-SHP-Z0-A-B5D8-G100-PL-00-001-P01 REV P02 received by the City Council, as Local Planning Authority, on the 1 March 2023. The approved space and facilities shall then be retained and permanently reserved for bicycle parking.

Reason - To ensure that adequate provision is made for bicycle parking so that persons occupying or visiting the development have a range of options in relation to mode of transport in order to comply with policies SP1, T1 and DM1 of the Manchester Core Strategy.

25) Notwithstanding details submitted, prior to first occupation of the development hereby approved, full details of an electric car charging point shall be submitted for approval in writing by the City Council, as Local Planning Authority. The approved details shall then be implemented as part of the development and be in place prior to the first occupation of the apartments.

Reason - In the interest of air quality, pursuant to policy EN16 of the Manchester Core Strategy.

26) The accessible car parking spaces indicated on drawing referenced 10349-SHP-Z0-A-B5D8-G100-PL-00-001-P02 received by the City Council as Local Planning Authority on 1 March 2023 shall be surfaced, demarcated and made available for use prior to the development hereby approved being occupied. The parking spaces shall be available for use at all times whilst the development is occupied.

Reason - To ensure that there is adequate accessible car parking for the development proposed when the building is occupied, pursuant to policies DM1, T2 and SP1 of the Manchester Core Strategy.

27) a) The development hereby approved shall only be implemented in accordance with the details contained within the submitted Local Labour Construction reporting template, received by the City Council as Local Planning Authority on 18 August 2023, as agreed as part of discharge of condition application referenced CDN/23/0511.

(b) Within one month prior to construction work being completed, a detailed report which takes into account the information and outcomes about local labour recruitment pursuant to items (i) and (ii) above shall be submitted for approval in writing by the City Council as Local Planning Authority.

Reason - The applicant has demonstrated a commitment to recruiting local labour pursuant to policies SP1, EC1 and DM1 of the Manchester Core Strategy.

28) Prior to the first occupation of the development hereby approved, a moving in and out management strategy shall be submitted for approval in writing by the City Council, as Local Planning Authority. The approved details shall then be implemented as part of the development and thereafter retained and maintained.

Reason - In the interest of managing the impact of the development on the car parking area and local highway network during moving in and out periods of activity pursuant to policies T2 and DM1 of the Manchester Core Strategy.

29) a) Any externally mounted ancillary plant, equipment and servicing to be installed shall be selected and/or acoustically treated in accordance with a scheme designed so as to achieve a rating level of 5dB (LAeq) below the typical background (LA90) level at the nearest noise sensitive location. Prior to its installation, the scheme, including any necessary mitigation, shall be submitted to and approved in writing by the City Council as Local Planning Authority in order to secure a reduction in the level of noise emanating from the site.

b) Prior to any externally mounted ancillary plant, equipment and servicing to be installed becoming operational, an approved verification report shall be submitted to and approved in writing by the City Council as Local Planning authority to validate that the work undertaken throughout the development conforms to the recommendations and requirements in the approved acoustic report. The report shall also undertake post completion testing to confirm that the noise criteria have been met. Any instances of non - conformity with the recommendations in the report shall be detailed along with any measures required to ensure compliance with the agreed noise criteria.

Reason - To minimise the impact of the development and to prevent a general increase in pre-existing background noise levels around the site, pursuant to saved policy DC26 of the Unitary Development Plan for the City of Manchester and policies DM1 and SP1 of the Manchester Core Strategy.

30) The buildings hereby approved shall be acoustically insulated and treated to limit the break out of noise in accordance with a noise study of the premises and a scheme of acoustic treatment that has been submitted to and approved in writing by the City Council as Local Planning Authority. The scheme shall be implemented in full before the use commences.

b) Prior to occupation of the building hereby approved a verification report will be required to validate that the work undertaken throughout the development conforms to the recommendations and requirements in the approved acoustic consultant's report. The report shall also undertake post completion testing to confirm that acceptable criteria have been met. Any instances of non-conformity with the recommendations in the report shall be detailed along with any measures required to ensure compliance with the agreed noise criteria.

Reason - To safeguard the amenity of nearby residential properties, pursuant to saved policy DC26 of the Unitary Development Plan for the City of Manchester and Policies DM1 and SP1 of the Manchester Core Strategy.

31) Notwithstanding details submitted, the development hereby approved shall not be occupied until there has been submitted to and approved in writing by the City Council as Local Planning authority a plan indicating the positions, design, materials and type of any new boundary treatment to be erected. The boundary treatment shall be completed before the development hereby approved is occupied and shall thereafter be retained.

Reason - To ensure that the appearance of the development is acceptable to the City Council as Local Planning Authority in the interests of the visual amenity of the area within which the site is located in order to comply with policies SP1, EN3 and DM1 of the Manchester Core Strategy.

32) Notwithstanding the TV and Radio Reception Survey (issue 0.2) received by the City Council, as Local Planning Authority on the 25 October 2022, within one month of the practical completion of the development hereby approved and at any other time during the construction of the development, if requested in writing by the City Council as Local Planning Authority, in response to identified television signal reception problems within the potential impact area, a

study to identify such measures necessary to maintain at least the pre-existing level and quality of signal reception identified in the survey carried out above for that phase shall be submitted for approval in writing by the City Council, as Local Planning Authority. The measures identified must be carried out within one month of the study being approved in writing to the City Council as Local Planning Authority.

Reason - To provide an indication of the area of television signal reception likely to be affected by the development to provide a basis on which to assess the extent to which the development during construction and once built, will affect television reception and to ensure that the development at least maintains the existing level and quality of television signal reception - In the interest of residential amenity, as specified in policy DM1 of Manchester Core Strategy.

33) Prior to occupation, full details of all necessary off-site highway works to be implemented via a S.278 agreement, shall be submitted to and approved in writing by the City Council as Local Planning Authority and be implemented in accordance with a timescale to be agreed by the City Council as Local Planning Authority. Such works should include:

- The resurfacing of the footway adjacent to the development (on the north side of Oxford Place), together with the reinstatement of any redundant vehicle crossovers adjacent to the application site on Oxford Place.

- Changes necessary to widen the access and egress to the vehicle loop around the chapel which would necessitate resident parking zone bays changes and an amendment to Traffic Regulation Order

- Amendments to existing TRO's (i.e double yellow lines) along Oxford Place to facilitate refuse collection.

- Any necessary mitigation works which arise from the submission of a Road Safety Audit (RSA1) which will required to inform the S.278 agreement.

The development shall not be occupied until all the necessary off-site highway works have an agreed timescale for implementation. The development shall only be occupied in accordance with the agreed works.

Reason - In the interests of highway safety, pursuant to Policies DM1 and SP1 of the Manchester Core Strategy.

34) The development hereby approved shall be used as purpose-built student accommodation only (sui generis) and for no other purpose (including serviced apartments/apart hotels or similar uses where sleeping accommodation (with or without other services) is provided by way of trade for money or money's worth and occupied by the same person for less than ninety consecutive nights)

Reason - To ensure that the accommodation is used solely for the intended purpose - student accommodation and to safeguard the amenities of the neighbourhood by ensuring that other uses which could cause a loss of amenity such as serviced apartments/apart hotels do not commence without prior approval; to safeguard the character of the area, and to maintain the sustainability of the local community through provision of accommodation that is suitable for people living as families pursuant to policies DM1 and H11 of the Core Strategy for Manchester and the guidance contained within the National Planning Policy Framework.

35) Prior to the first operation of the development hereby approved, an external signage strategy for the entire building shall be submitted for approval in writing by the City Council, as Local Planning Authority.

The approved strategy shall then be implemented and used to inform any future advertisement applications for the building.

Reason - In the interest of visual amenity pursuant to policies SP1 and DM1 of the Manchester Core Strategy.
