03 January 2024

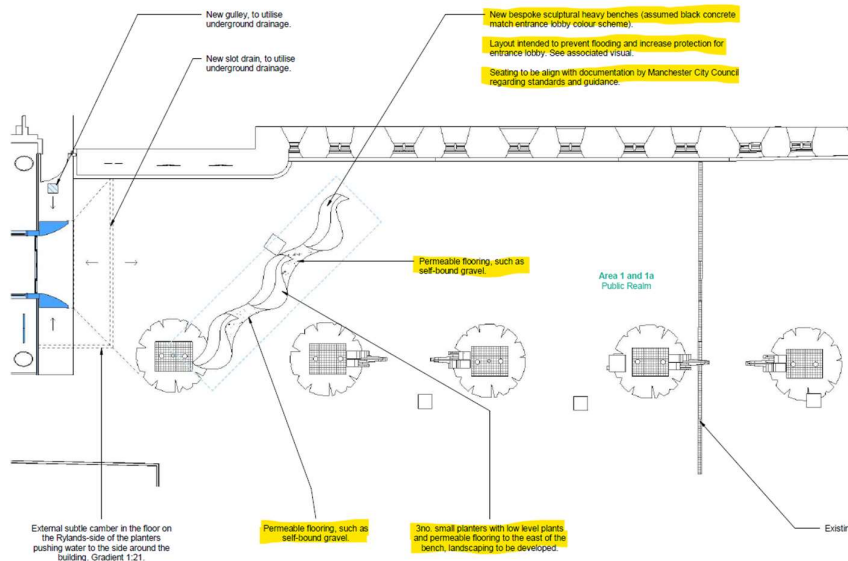

Dear Tony,

John Rylands Research Institute and Library – Next Chapter Project
Full Planning & Listed Building Consent application PP-12265170

Following our meeting on 02 January 2024 - attended by Donald Insall Associates (*Simon Malam, Rory Chisholm, Rebecca Burrows*) and MCC (*Anthony Mitchell, Paul Mason, Paul Burbicka*) – please accept this note as confirmation that the new external benches and associated planters/ permeable landscaping, proposed as part of the above project, should be omitted from the above application.

For clarity, these items are shown on drawing *JRL-DIA-ZZ-ZZ-D60-ACL-4111 'Landscape as Proposed – General Arrangement'* by Donald Insall Associates, submitted as part of the above application. The specific items on said-drawing for omission are highlighted yellow below.

Note: All items on this drawing not shown highlighted yellow below are intended to remain within the proposals.

Yours sincerely

Rory Chisholm
Associate
For and on behalf of Donald Insall Associates
