Part 1 – Particulars of the application/development

Proposal: Erection of a detached dwellinghouse (C3 (a) use class) to the rear of the apartment block with vehicular access from Woodlands Road, along with associated elevational alterations (western and southern elevations) to the apartment block

Location: 359-361 Wilbraham Road, Manchester, M16 8NP

Date of application: 7 June 2023

Application number: 136805/FO/2023

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Refused** in accordance with the application and plans submitted for the reason(s) listed below.

Article 35 Declaration

Officers have collaborated with the applicant in a positive and proactive manner based on seeking solutions to problems arising in relation to dealing with the planning application. Issues have arisen during the consideration of this application and the officer negotiated with the applicant and consultees but were unable to reach a satisfactory conclusion.

Reason(s) for decision

1) The scale and massing of the proposed development on the rear amenity space at the site would sit out of character of the area. The large properties on Wilbraham Road are noted for the open amenity space to the rear which helps create a sense of openness to the area. The scale and massing of the proposed development would remove this character in opposition to policy DM 1, SP 1, EN 1, and H 6 of the Manchester Core Strategy and Policy DC6 of the Extant UDP.

2) The development of the plot would create a large massing close to neighbouring residents, most notably 1 Woodlands Road and the occupiers of the apartments in the adjacent converted building, reducing light, external amenity space and having a negative impact to the residential amenity of occupiers contrary to policy DM 1 of the Manchester Core Strategy.

Date: 2 November 2023

If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, they may appeal to the Secretary of State in accordance with Section 78(1) of the Town and Country Planning Act 1990 within six months of the date of the notice of the decision. However, if an enforcement notice has been served for the same or very similar development within the previous 2 years, the time limit is:

- 28 days from the date of the LPA decision if the enforcement notice was served before the decision was made yet not longer than 2 years before the application was made.
- 28 days from the date the enforcement notice was served if served on or after the date the decision was made (unless this extends the appeal period beyond 6 months).

The Planning Inspectorate have introduced an online appeals service that can be used to make appeals online. This service is available through the gov.uk website – www.gov.uk/appeal-planning-decision. The Inspectorate will publish details of your appeal on the internet. In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase their interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990

5. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to them. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.
