Manchester City Council are not satisfied that on 13 October 2023 the use/operations described in the First Schedule in respect of the land specified in the Second Schedule and more particularly identified on the plan attached to this certificate edged in red, was lawful within the meaning of section 192 of the Town and Country Planning Act 1990 (as amended), for the following reason(s):

1) The proposed rear dormer and hip to gable roof extension as shown on the submitted drawing no. 081023 REV P1 does not constitute permitted development as it would fail to meet the requirements of Part 1, Schedule 2, Class B.1 (d)(ii), of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended), in that the cubic content of the resulting roof space would exceed the cubic content of the original roof by more than 50 cubic metres.
