Hi Angela

The letter was composed by myself and 5 other residents, and has been seen by all 76 residents in our Chorlton Mill WhatsApp group for them to leave comments if they wanted - though we are not a formal residents group so not sure what is best in terms of your question!

Many thanks

Hello [REDACTED]

Thank you for your comments which will be considered as part of our consideration of the application. You say that the comments are on behalf of Chorlton Mill Residents - So that I can Report these comments accurately can you confirm that these comments are on behalf of a formal Residents Group (and if so its name) or are they just to be reported as your individual view.

Best Wishes

Angela
