

All dimensions to be checked on site prior to the commencement of works.

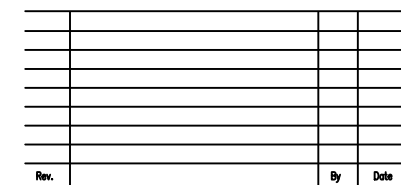

Any drains passing under building to be exposed & encased in 150mm conc.

The floor plan of the second floor is shown in a vertical orientation. It includes the following rooms and features:

- Bath:** Located at the top of the plan.
- Kitchen:** Situated below the Bath, featuring a curved wall on its left side.
- Room:** Located below the Kitchen, with a curved wall on its right side.
- Office:** The largest room, located at the bottom of the plan.
- Staircase:** A staircase is located within the Office area, indicated by a set of parallel lines and an upward-pointing arrow.
- Entrances:** There are two main entrances shown: one on the left side of the Office and another on the right side of the Room.
- Walls and Partitions:** Solid black lines represent walls and room partitions. Dashed lines indicate the building's exterior boundaries.

The floor plan of the second floor is shown in a vertical orientation. It includes a 'Room' at the top, followed by a 'Kitchen' and a 'Bath' below it. At the bottom are two 'Office' spaces. A staircase is located on the right side of the plan, between the Bath and the lower Office. The plan uses thick black lines for walls and includes various door and window symbols.
