Part 1 – Particulars of the application/development

Proposal: Hip to gable roof extension together with the installation of rear roof dormer

Location: 8 Gildridge Road, Manchester, M16 8PS

Date of application: 10 October 2023

Application number: 138285/FH/2023

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Refused** in accordance with the application and plans submitted for the reason(s) listed below.

Article 35 Declaration

The proposal was assessed with regards to policies outlined in the National Planning Policy Framework, Unitary Development Plan Saved Policies, Local Development Framework Core Strategy Development Plan and other material considerations. In this instance officers have worked with the applicant in a positive and proactive manner, however revised plans are considered to overcome issues raised.

Reason(s) for decision

1) The proposed extension, by reason of its projection, scale, height and massing, in close proximity to the common boundary with the adjoining property, 10 Gildridge Road, would give rise to visual intrusion to the detriment of the amenity that the adjoining occupants could reasonably expect to enjoy. As such the proposal is contrary to SP1, EN1 and DM1 of the Manchester Core Strategy (2012), saved policy DC1 of the Unitary Development Plan for the City of Manchester (1995), the Guide to Development in Manchester SPD and the National Planning Policy Framework.

2) The installation of rear roof dormer would, by reason of its scale, design, length and relationship with the existing two storey outrigger at the property, form an overly

dominant, excessively large and visually incongruous structure at the site. As such, the proposal would fail to enhance the character of the area and would be contrary to policies SP1, EN1 and DM1 of the Manchester Core Strategy (2012), saved policy DC1 of the Unitary Development Plan for the City of Manchester (1995), the Guide to Development in Manchester SPD and the National Planning Policy Framework.

2. If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, they may appeal to the Secretary of State in accordance with Section 78(1) of the Town and Country Planning Act 1990 within 12 weeks of the date of the notice of this decision. However, if an enforcement notice has been served for the same or very similar development within the previous 2 years, the time limit is:

- 28 days from the date of the LPA decision if the enforcement notice was served before the decision was made yet not longer than 2 years before the application was made.
- 28 days from the date the enforcement notice was served if served on or after the date the decision was made (unless this extends the appeal period beyond 12 weeks).

The Planning Inspectorate have introduced an online appeals service that can be used to make appeals online. This service is available through the gov.uk website – www.gov.uk/appeal-householder-planning-decision. The Inspectorate will publish details of your appeal on the internet. In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase their interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990

5. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to them. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.
