The site plan shows a residential development. Two existing houses, No. 7 and No. 9, are located on the left side of the plan. A new house, No. 11, is proposed to be built on the right side. The new house is a large, modern structure with a gabled roof and a central entrance. The site is bounded by Harkerside Close to the west and a road to the east. The plan includes parking spaces, landscaping, and a red boundary line indicating the proposed development area.
