

**MANCHESTER
CITY COUNCIL**

Site Waste Management Plan

August 2022

**Acorn House, 31 Burton Road,
Withington, Manchester, M20 3JB**

Job No: AMP/45392-1

Date: 16/12/2022

**Prepared by Philip A Schofield
Capital Programmes & Procurement**

There will be no change to the current waste situation in volume or collection and no change to staff or visitor numbers. The only change will be the location of the bins.

General waste is currently collected weekly by BIFFA & Paper/cardboard collected fortnightly. The arrangements are to remain unchanged. The bins are to be relocated away from the building across the car park in a purpose built enclosure to RAL 6005 (green).

Current Area reserved for bins.

Current Area reserved for bins.

New enclosure to be mesh fence to match the one in the photo.

New bin location to be behind fence on the left in the photo as noted on drawing no 05.
