

To be read in conjunction with VHS 14.22.05 RPA-14208 Design and Access Statement V	
	R01 Brick faced retaining wall with brickwork coping
	R7 Precast concrete granite aggregate brick walls
	R8 Precast concrete coated metal frame rail
	R6 Precast concrete coated metal balustrade
	R5 Aluminium metal edge
	R7 Precast concrete grey terr
	C1 Channel drain with kerbside gully
	R2 Detachable steel roll chain
	R4 Logical
	R001 Reuse foundry green type 1
	R002 Reuse foundry green type 2
	R0 Concrete gravel
	R9 Precast concrete granite aggregate brick paving
	R9 Precast concrete pebbles aggregate flag paving
	C Concrete tapered retaining precast concrete panels
	C8A Cobble and stones to surround of pond
	Amenity grass turf / seed
	Existing tree to be retained
	Proposed mulchbed bed
	Groundcover planting
	Plant planting
	Mixed species hedge
	E01 Fence type 1
	R01 Horizontal slatted timber screen
	R02 Hardie board curved timber screen
	R01 Hardwood timber cubo seat
	R02 Hardwood timber and polystyrene powder coated metal bench - seat
	R04 Hardwood timber curved high-backed seat
	TA Hardwood timber and polystyrene powder coated metal table
	R9 Precast concrete coated metal raised planter
	LT Hardwood timber and polystyrene powder coated metal other box
	Existing sculpture retained and scope of grade reduced
	Existing surface to be retained
	New sculpture temp to Corbett Theatre (and East of Park Avenue)
	Existing substation compound
