Ms Leckie

If you are proposing something along the lines that was allowed at appeal (application 121791/FO/2018 was originally refused by the City Council) then you may be successful in applying for planning permission for 504 Wilmslow Road. It should be noted that the City Council will expect the proposed accommodation to meet the space standards found in the Residential Quality Guide (https://www.manchester.gov.uk/downloads/download/6682/residential_quality_guide).

You can apply via the Planning Portal (https://www.planningportal.co.uk/) and they will automatically send the application to ourselves. In addition to the application forms, we will need existing and proposed floorplans, existing and proposed elevational drawings (if elevational alterations are proposed), a layout plan showing the location of bins, car and cycle parking, a waste management strategy demonstrating that the correct number of bins would be provided (http://www.manchester.gov.uk/downloads/download/6048/waste_management_strategy), a design and access statement and a tree survey if any trees are to be removed or would be impacted upon by the scheme.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:
(a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- [x] Yes
- [ ] No

If yes, please provide details of their name, role, and how they are related:
