Proposal For Tree Care Services

Boundary Wall, Ford Lane, Didsbury, Manchester M20

NOTICE TO CLIENT:

Bartlett Tree Experts has entered this property for the specific purpose of writing this proposal, pursuant to the owner's request. Bartlett Tree Experts makes no warranties and accepts no responsibility regarding the potential risks involving any trees on this property. Bartlett Tree Experts recommends having a qualified arborist inspect your property periodically to assist you in identifying potential risks or hazardous conditions related to your trees and shrubs. THIS IS NOT AN INVOICE.

Landscaping

Install the following plants at the front of property:

- (30) 1 metre Hawthorn

according to the following specifications:

- Guarantee is valid only if customer supplies sufficient water to sustain plant growth and the Monitor IPM program included on this proposal is accepted.

- Planting plan:

On removal of the boundary wall and its footing by the contractors. The ground level will be brought up to the level of the surrounding ground with the use of graded topsoil. This will be firmed in 150mm layers where required.

On completion of the re-levelling of the area, the 1 metre Hawthorn whips will be installed in a double row for the entire 5 metre length. These will be installed at 6 per metre. Slit planting will be used for the installation of the plants.

When the plants have been installed a cane and rabbit guard will be installed on each plant for stability and protection.

The area of planting will be mulched on completion of the work to help retain moisture.

On completion of the hedge, 3 posts will be installed on the Ford Lane side of the hedge and stock fence will be attached to these posts to a height of approximately 1.25 metres from ground level for protection. 3 posts will also be installed to the rear of the hedge and stock fencing attached up to a height of 60cm from ground level, to also protect the hedge from the rear.
