

Dear Planning Department,

The premises now named the Food jungle have operated since 2002. Their operating hours have during this time remained as per the planning notice . Sunday to Thursday 8.00am to 11.30pm. Fridays and Saturdays 8.00am to Midnight. The reason for these hours was to safeguard the amenities of the occupiers of nearby residential accomodation.

Since this time the night time economy of this particular area has expanded significantly with many takeaways being given planning permission and Late night refreshment licences to operate until as late as 03.00am.

As the numbers have grown this has resulted in a disadvantage to Jungle Foods who have continued to operate under planning conditions which have required them to close up to 4 hours before their business competitors.

We have listed below takeaways with their operaing times and who operate within a short distance of Jungle Foods.

We believe that the extending of the operating hours for Jungle Foods will not have an adverse effect on the safeguarding of amenities or the occupiers of nearby residential accomodation. Jungle foods has operated in a compliant manner with no issues or complaints arising from the current running of their business.

The extension to the hours will be no threat to the existing takeaways who already operate with extended hours, but will allow Jungle Foods to operate on a level footing with there commercial competitors
