

South Elevation as Proposed

SCALE : 100

Existing windows to be resealed to improve air tightness and thermal efficiency.

New bespoke sculptural heavy benches (assumed black concrete match entrance lobby colour scheme).

3no. small planters with low level plants and permeable flooring to the east of the bench, landscaping to be developed.

Carefully remove the existing louvre and the lower half of the window/ install new louvre with a decorative metal grille on the face to match adjacent leaded light pattern. Removed glazing to be carefully stored for future repairs.

Existing signage outside entrance lobby to be relocated next to other signage.

Carefully remove the existing louvre and the lower half of the window/ install new louvre with a decorative metal grille on the face to match adjacent leaded light pattern. Removed glazing to be carefully stored for future repairs.

For details refer to exhibition designers pack.

New feature directional signage Design TBC.

Existing signage to be move closer to other existing.

Information Note

Any drawing format is to be read in conjunction with and at the scale of accompanying documents.

Where colours other than black or grey are used the drawing must be plotted in colour.

All dimensions are to be checked on site by the Contractor, scaling is for Local Authority purposes only.

Unless otherwise indicated, all dimensions are in millimeters.

All information on this drawing is to be read in conjunction with the relevant Donald Insall Associates (Insall) specification and trade contractors' drawings and information by specialists.

In the event of any discrepancy, please contact Insall immediately.

This drawing may contain survey information by others and is to be used solely for the purposes for which it was issued.

These are uncontrolled documents issued for information purposes only. If you have any queries regarding the drawings, contact Insall immediately.

Insall cannot be held responsible for any errors arising from changes made to an uncontrolled file.

Drawings by Donald Insall Associates to be read in conjunction with full 'Next Chapter' drawing sets. Including those by Structural Engineer, MEP Engineer, Exhibition Designer, Fire Consultant and Acoustic Consultant.
