Location: 1A Cavendish Road, Manchester, M20 1JG

Date of application: 9 March 2023

Application number: 136444/FH/2023

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Refused** in accordance with the application and plans submitted for the reason(s) listed below.

Article 35 Declaration

Officers have worked with the applicant in a positive and proactive manner based on seeking solutions to problems arising in relation to dealing with the planning application. Significant concerns were raised during the course of the application. Whilst some issues were able to be addressed and revised plans received, other issues were not able to be addressed.

Reason(s) for decision

1) The erection of fencing above existing walls around the rear perimeter of the site, by virtue of its siting, scale, massing, materials and colouration would form an incongruous and visually intrusive feature within the street scene and would be detrimental to the character or the appearance of the Albert Park Conservation Area. As such the proposal is contrary to the City Council's Planning Policies SP1, DM1 and EN3 of the Core Strategy for Manchester and Policy DC18 of the Unitary Development Plan for the City of Manchester.

2) The erection of fencing above existing walls around the rear perimeter of the site, by virtue of its siting, scale and massing would form an overbearing and visually intrusive feature against the common boundary with 148a Burton Road, to the detriment of residential amenity. As such the proposal is contrary to the City Council's Planning Policies SP1 and DM1 of the Core Strategy for Manchester and Policy DC1 of the Unitary Development Plan for the City of Manchester.

3) The creation of the new vehicular access into the rear courtyard is considered to create a dangerous proposed vehicle access point onto Cavendish Road. This in turn would be detrimental to highway and pedestrian safety. As such, the proposed development would be contrary to policy DM1 of the adopted Core Strategy for Manchester.

2. If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, they may appeal to the Secretary of State in accordance with Section 78(1) of the Town and Country Planning Act 1990 within 12 weeks of the date of the notice of this decision. However, if an enforcement notice has been served for the same or very similar development within the previous 2 years, the time limit is:

- 28 days from the date of the LPA decision if the enforcement notice was served before the decision was made yet not longer than 2 years before the application was made.

In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase their interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990

5. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to them. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.
