Stance: Customer objects to the Planning Application

Comment Reasons:

Comment:do we need more developments of this ilk without investment in infrastructure or giving existing residents something other than more traffic, industrial delays dust pollution and noise pollution. Renaker consistently promise and break promises on what going to end up inside these developments. Are they actually going to benefit existing local residents. or just continue to starve out natural light and increase pollution.

if you are going to agree and plans lets atleast keep them under 20 stories
