Back Piccadilly

Key Plan

Scale 1:1500

Proposed reconfiguration to dormer roof structure.

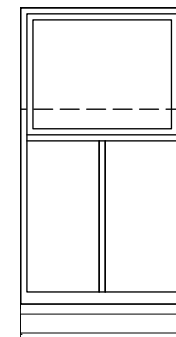

Location of 1st floor breakout space behind glazing. Refurbished existing windows, adapted to be openable.

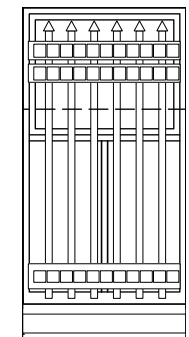

Front view of new window to replace glass block

Proposed new window to corner of Mangle Street and Back Piccadilly to match existing.

Proposed new window and stonework reinstated to match existing along Newton Street elevation.

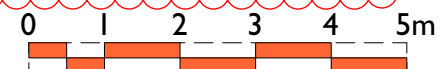

Proposed windows behind metal rail

Proposed windows with metal rail

Previously approved external grade black painted door moved across one window bay from the previous approval. Currently the opening is blocked off with brick. Existing metal rail to be reconfigured into a gate.
