Comment Details

Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: This plan will negatively impact the area on several fronts : Child safety. There are 3 nearby schools . The latest accident on Nell Lane happened on 12th January, Traffic congestion. This is already a problem in this area and will only get worse. Lidl estimate 200 more cars per hour using this route.

Air pollution. A very high density of traffic is already using these roads . Many children and families walk to work and schools nearby. While there is no objection to providing a budget supermarket in the area , I believe to site it here would have more negative than positive impacts on the whole community.
