Comment Details

Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I am objecting to the proposed plans due to the increased risk to children's health and safety as a result of the inevitable increase in traffic and pollution in the surrounding area. There are 4 schools and a park in close proximity to the proposed site and Nell Lane/St Werburgh's road has seen a number of road traffic accidents in recent years which are of concern. An expected increase in traffic would pose considerably increased risk to children crossing the road during their normal journeys to and from school, and could cause significant harm due to the increased levels of air pollution from the volume of traffic. I think it would be irresponsible to allow the development to go ahead, given these likely consequences.
